Marlins Park is a state-of-the-art retractable roof ballpark located in the heart of Miami, on the historic Orange Bowl site. The ballpark features unobstructed views of Miami's skyline made possible by six operable glass panels and has a capacity of 37,442. Conceived as an abstraction of "water merging with land", symbolic of Miami's coastal landscape, Marlins Park offers fans the most incredible baseball experience where beauty and baseball merge. Marlins Park hosts a wide variety of events throughout the calendar year. Here are some of the reasons why Marlins Park is the best of its kind.

LOCATION

The site is fewer than two miles from downtown Miami, only three-quarters of a mile from the westbound SR 836 exit at 12th Avenue, and 0.4 miles from the eastbound exit at 17th Avenue. Via Interstate 95, the site is 1.25 miles from the NW 8th Street exit.

TRANSPORTATION AND PARKING

Transportation to Marlins Park includes the Civic Center Metrorail Station and Culmer Metrorail station, Tri-rail – Metrorail transfer and the City of Miami Trolley Service. Also, fans can park anywhere along the Miami-Dade Metrorail system, exit at Culmer Station and enjoy the dedicated Express Shuttle to Marlins Park. There is also pedestrian access, bicycle routes, taxi and limousine access, bridge opening regulations to alleviate traffic, civic center parking and group bus parking.

Marlins Park also features four state-of-the-art parking facilities with a capacity of 4,700 vehicles. The parking garages are managed by the City of Miami. The parking garages are located along first base, third base, home plate and center field, which render their names. Garage parking pricing is dynamic. In addition to garage parking, there are 1,000 parking spaces in surface lots to the east and west of the ballpark. A majority of season ticket packages come with a reserved parking space right next door to the ballpark. Fans purchasing single-game tickets may also purchase parking in a garage based on availability.

CLIMATE

The Marlins are committed to offering fans the best baseball experience and that starts with keeping a cool environment. Literally. The state-of-the-art retractable roof ensures that Marlins fans never again have to worry about the unpredictable Miami weather. The roof and air conditioning provide a cool, comfortable environment every day. At Marlins Park, it will always be 75 degrees.

BALLPARK SIZE

Marlins Park is the smallest ballpark in baseball with a maximum capacity of 37,442, a number that includes 700 standing-room only tickets.

Every seat has been placed with only one thing in mind - to provide guests with the ultimate fan experience. You will always be comfortable, cool and close to all the action and excitement.

AFFORDABILITY

The Miami Marlins are committed to offering affordable baseball entertainment to fit every budget. Marlins Park has many individual seating options starting at just \$14.

COST OF BUILDING MARLINS PARK

The cost of Marlins Park was \$515 million. The Miami Marlins provided \$161.2 million and were committed to funding any and all construction cost overruns, though there were none. Additionally, the team purchased from the City of Miami \$100 million worth of parking spaces in the newly constructed garage and will pay for maintenance, repairs, operations and insurance.

Miami-Dade County provided for the ballpark \$50 million of Building Better Communities General Obligation Bond funds that were specifically allocated for the Orange Bowl site and \$297 million of county tourist-tax revenues. Under Florida law, these funds are set aside exclusively for tourism-related projects. No new taxes were levied for the project, nor were any tax rates increased. The City of Miami provided the land and \$13 million toward construction.

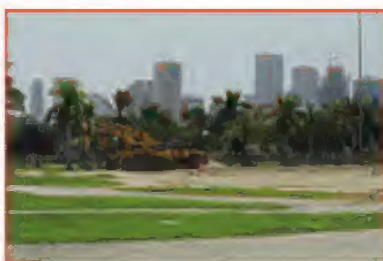

TIMELINE

The Marlins broke ground in July 2009 and after 33 months of construction, the team opened Marlins Park on April 4, 2012 vs. the St. Louis Cardinals.

MIAMI'S SPORTS TRADITION EVOLVES...

Marlins Park replaced the legacy of the memorable Orange Bowl in Little Havana, just west of downtown Miami. With Marlins Park, the former Orange Bowl site will open its next chapter, continuing a legendary 77-year history of football, baseball, soccer, public events and major concerts attended by tens of millions of fans. Situated on the same footprint, Marlins Park is the anchor for major redevelopment in the area. The home of the Marlins is a first-class ballpark, constructed on approximately 17 acres of the historic 42-acre Orange Bowl site. The ballpark features a unique structure composed of a natural grass playing field, including 39 private suites, the moveable wall in left field showcasing spectacular views of downtown Miami, two 450-gallon salt water aquariums located on each side of home plate, and incredible food options at The Cleveland, Taste of Miami, concessions and shops on the West Plaza.

BALLPARK OWNER

Miami-Dade County owns Marlins Park and the City of Miami owns the four adjacent parking garages. The Miami Marlins, however, are responsible for maintaining and operating the ballpark.

THE WEST PLAZA

The West Plaza at Marlins Park is a major change from the character of the old Orange Bowl. The West Plaza reconnects Little Havana and creates an urban center. The West Plaza is unlike any other place in Miami, changing as the roof is rolled over the park below. The ballpark features three retail shops, intentionally creating a street edge that connects to the surrounding neighborhood. Fans can enjoy comfortable dining, shopping, as well as special events, concerts and more. The West Plaza is the size of three and a half football fields and is open to the public 365 days.

MAKE A SPLASH AT THE CLEVELANDER

Literally, fans can enjoy an authentic South Beach experience at Marlins Park. The Clevelander at Marlins Park features an exciting pool-side venue with great food, entertainment and private event space year-round. The Clevelander at Marlins Park holds approximately 260 guests and also offers Field Level seats, select table service located beside the visitor's bullpen, and a menu of great Cleveland classic food selections with a ballpark twist. The Clevelander at Marlins Park is also home to the exciting entertainment of the original South Beach location, including dancers and DJs live from the pool area. The pool-side bar and grill is open for extended periods following each Marlins home game, and is available for private events for corporations, social groups and friendly gatherings.

RICOH DIAMOND CLUB

The Ricoh Diamond Club is Miami's most exclusive premium entertainment experience. Located on the Field Level directly behind home plate, these seats are ideal to entertain clients, friends and family, reward your employees, socialize with other guests, or simply to enjoy the best seats in the house for each Marlins game.

All-inclusive high-end dining, dessert and beverage service, complimentary in-seat service during the game, complimentary beverages postgame, with the first row located just 47 feet from home plate, Ricoh Diamond Club seats are oversized and cushioned with high backs and additional legroom. The Ricoh Diamond Club consists of just 386 seats, with a total of eight rows and five seating sections and the opportunity to purchase your Diamond Club seats to all postseason games, as well as all other events held at the ballpark. The Ricoh Diamond Club also includes a private entrance located near your parking space; modern, spacious restrooms; easy access to the Ricoh Diamond Club lounge before, during and after events, full concierge service; one premium on-site parking pass for every two seats purchased; and the opportunity to reserve Ricoh Diamond Club restaurant/lounge for non-event dates.

TAKE A BEHIND-THE-SCENES TOUR OF MARLINS PARK

The Miami Marlins offer behind-the-scenes tours of Marlins Park. The tours are open to the public on non-event days for just \$10 a person. The tour includes visits to the field (behind home plate), home clubhouse, home batting cage area, Diamond Club, Promenade Level featuring the art in the facility, the Bobblehead Museum and the premium areas, including the Suites. Tours operate Monday through Saturday from 10:00 a.m. to 3:00 p.m., except when the Marlins play at home or when other major events are scheduled at Marlins Park. Group tours, accommodating between 10 and 25 people, are available by appointment. Hosts can take their event behind-the-scenes using one of the clubhouses, batting cages or press conference rooms.

MARLINS PARK: A VENUE LIKE NO OTHER

From intimate private parties and board meetings to large-scale corporate events, Marlins Park offers a variety of event spaces to suit any occasion inside and outside the ballpark. The left field skyline wall is a feature unlike any other in Major League Baseball. Six 16' glass panels, towering at 60' tall by 40' wide, open to create a breathtaking view of downtown Miami's spectacular skyline. Hosts can take their event behind-the-scenes using one of the clubhouses, batting cages or press conference rooms.

SUITE SPOTS

Marlins Park offers a variety of party suites and clubs for entertaining on an intimate or grand scale. Suite and Club capacities range from 20 to 200 guests. These suites are ideal for birthdays, anniversaries, receptions, company parties and more.

FIELD OF DREAMS

Our Major League playing field is perfect for small or large scale events such as concerts, sporting events, trade shows, job fairs, corporate galas, holiday parties and more. Hosts looking for an extra special experience will find that Marlins Park offers the perfect "field of dreams" setting against the backdrop of downtown Miami. Choose to have the roof closed for air-conditioned comfort year-round or retract the roof to enjoy the sun or stars. Plus, hosts can wow their guests by activating the Marlins Vision Scoreboard for special video presentations, followed by lunch or dinner and cocktails on the field.

PARTIES ON THE PLAZA

The one-of-a-kind architecture and tropical landscaping at Marlins Park's outdoor plazas serve as stunning settings for any outdoor event. Choose one of the plazas or surface lots for a variety of pre-event activation options as your guests arrive or as a beautiful outdoor setting for the event itself. These areas are perfect for everything from evening galas to trade shows. The retractable roof may also be opened to offer a shaded and rain-protected setting for outdoor events on the West Plaza.

BOBBLEHEAD MUSEUM

The Bobblehead Museum display on the Promenade Level is the first of its kind in baseball and is located near Sections 14 and 15. It features a collection of current and former Marlins player bobbleheads, as well as current and past players, managers, broadcasters and mascots throughout Major League Baseball history. This display holds approximately 600 bobbleheads and regularly features new entries. The entire structure moves ever so slightly, which causes the heads to bobble. The display features an electronic Bobblehead locator, making it an interactive and fan-friendly exhibit.

'GREEN' BALLPARK

Marlins Park is the first retractable-roof, LEED Gold Certified facility in the world. The ballpark's environmentally friendly design incorporates conservation, sustainability and energy efficiency. During construction, the Miami Marlins recycled more than 98% of the construction waste and engaged in pollution prevention plans. The design of the ballpark and the materials selected help promote conservation, pollution prevention as well as water reduction and energy efficiency. The Marlins also engaged in an indoor air quality plan to ensure the comfort and well-being of all fans.

EVENTS AT MARLINS PARK

Marlins Park is home to much more than just baseball. During its brief existence, the ballpark's diverse list of events have contributed immensely to the vibrant culture of Miami.

From charity walks and concerts to football games and soccer matches, the ballpark hosts a myriad of events each year. Included in this list is the Miami Beach Bowl. On October 24, 2013, the Miami Marlins and American Athletic Conference announced the creation of the bowl game, which brings football back to the original Orange Bowl site. At the time of the announcement, Marlins Park became the fourth active Major League stadium used to host a bowl game, joining Yankee Stadium in New York, AT&T Park in San Francisco and Tropicana Field in St. Petersburg. Since its inception, the Miami Beach Bowl has featured high-powered offensive outputs from its participants, including a seven-touchdown performance from the 2014 game MVP, Paxton Lynch of Memphis.

The Taste of Miami is another signature event hosted at Marlins Park. The evening is filled with food, drinks and live entertainment that showcase the uniqueness of Miami. Other events hosted at the ballpark have included Give Miami Day, Joel Ossteen, La Fena de Las Americas, Grand Slam Party Latino, Tiger Direct Bash, Beck's Oktoberfest and Miami Beerfest. The South-Florida community has also been able to enjoy this unique facility. Bar mitzvahs and weddings have been held at the ballpark, as well as homecoming dances and graduations for local high schools.

On February 13, 2015, Major League Baseball awarded the 2017 All-Star Game to the Miami Marlins and Marlins Park, marking the first Midsummer Classic hosted by the city of Miami. Commissioner Rob Manfred made the announcement at the Skyline Terrace in Marlins Park.

ART IN PUBLIC PLACES AT MARLINS PARK

Marlins Park features five art installations that differentiate it dramatically from other ballparks in the country. This effort was part of Miami-Dade County's Art in Public Places initiative.

Miami-Dade Art in Public Places serves the community through the implementation of art installations and educational programming dedicated to enriching the public environment and to preserving and enhancing the artistic and civic pride of Miami-Dade County. Miami-Dade Art in Public Places promotes collaboration and creative art projects that improve the visual quality of public spaces. At their most successful, these public art installations can transform public spaces from ordinary civic areas to sites that can lift the spirit and connect with the community.

RED GROOMS

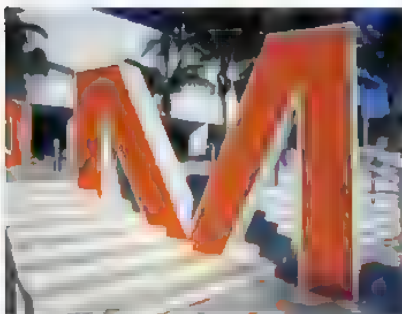

Marlins Park features works of art from renowned artists Daniel Arsham/Smartitecture, Carlos Cruz-Diez and Red Grooms. The signature home run sculpture was implemented by American pop artist Red Grooms. A pioneer of site-specific sculpture and installation art, Grooms' "sculpto-pictorama" design for the home run sculpture depicts an elaborate tableau of bright colors, stylized water and spectacular lasers. Dotted with clouds, flamingos, seagulls and plenty of Florida-inspired kitsch, the design incorporates moving parts that will activate when a Marlins home run is hit. He's internationally known for his enormous outdoor spectacles, starting with his urban "happenings" back in the 1960s.

CARLOS CRUZ-DIEZ

In addition to Grooms, Venezuelan artist Carlos Cruz-Diez, an originator of kinetic and color sculpture, transformed Marlins Park's main entrance, while local artist and architect Daniel Arsham lit up the structure's towering columns and also provided a tribute to the now-demolished Orange Bowl.

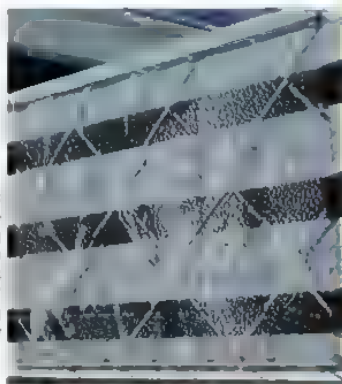

Upon arriving at the ballpark, fans experience Cruz-Diez's unique perspective on perception and color when walking on the West Plaza toward the Home Plate entrance. Occupying four acres of land on the west side of the ballpark, the West Plaza is one of the largest of any stadium in the history of the United States and serves as a canvas for Cruz-Diez's transformation of the vast, urban space into a beautiful, inviting and active entrance.

An integral element of the plaza hardscape, the geometric paving patterns visually guide ballpark visitors from the parking lots toward the ballpark. The design of the paving system is based on color, line and viewer perception, allowing the colors to create a sensation of movement as the relative position of the viewer changes. Entitled "Chromatic Induction in a Double-Frequency," the paving designs are described by Cruz-Diez as "chromatic events in continuous transformation which alter as pedestrians walk by and as the conditions of sunlight or artificial light vary." Cruz-Diez, an icon in his native Venezuela and famous since the 1960s for his work involving sensory manipulation, used a paving system based on color, line and viewer perception to create visual signage to the various ballpark entrances.

DANIEL ARSHAM

At the east entrance, Arsham erected his Orange Bowl tribute. Across this plaza, 10-foot-high reproductions of the letters that spelled out "Miami Orange Bowl" on the old stadium are scattered — some standing, some leaning, some on their sides. Based on Arsham's vivid memories of the "Miami Orange Bowl" sign, the Commemorative Marker (A Memorial Bowling) replicates the orange and white letters on the former football stadium.

CHRISTIAN MOELLER

Christian Moeller's art is visible on the four main entryways of the ballpark's garages. Moeller's work incorporates approximately 8,900 square feet of the garage façade. Moeller's concept was to involve residents in generating photographic images of children peering through a ballpark fence, which the artist then "translated" into large-scale "murals" that cover the sides of the garages facing the stadium. The murals were created as "bit-map" paintings through a technique developed by Moeller that involves affixing a matrix of plastic discs on fencing; the works were produced with digitally programmed machinery owned by the artist.

MIAMI MARLINS COMMUNITY OUTREACH PHILOSOPHY

The Miami Marlins, L.P. is an active member of the South Florida community. By supporting community and charitable causes, we are exercising our commitment to Corporate Social Responsibility.

Through Marlins Ayudán and outreach activities, the Marlins continuously reach beyond the walls of the ballpark to meet face-to-face with fans of all ages. Baseball is a family game, and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a child high-fiving their favorite player, a youngster hugging Billy The Marlin, a youth group cheering on their hometown team, or one of our players reinforcing the importance of education during Marlins Think Tank Week. We are committed to building a brighter future for South Florida.

With support from the Marlins Foundation, Miami Marlins Community Outreach aims to leave a lasting legacy through a focused offering of programs and initiatives.

HEART AND HUSTLE AWARD

The Marlins presented the 2016 Heart and Hustle Award to Marcell Ozuna. The award, given out by the Major League Baseball Players Alumni Association (MLBPAA), honors active players who demonstrate a passion for the game of baseball and best embody the values, spirit and tradition of the game; it is voted on by former players.

YOUTH PROGRAMS

The foundation of every child's future is a strong mind and a strong body. Through education, the arts and baseball, the Marlins provide the tools for Florida's youth to develop both their minds and bodies in a positive manner.

EDUCATION

Marlins Think Tank

Marlins Think Tank is an online curriculum enhancement program that utilizes the Marlins as the basis for the lessons. Marlins Think Tank aims to enhance the learning experiences of children in grades 4-6 by linking baseball to the curriculum areas of language arts, mathematics, geography, health/fitness, technology, engineering and science. A unique career day component featuring Marlins front office staff provides high school students and beyond the opportunity to explore various career options in professional baseball. This section features:

Marlins Think Tank Week

Every year, classrooms that take advantage of the Marlins Think Tank curriculum have the opportunity to meet a Miami Marlin. During Marlins Think Tank Week, the entire Miami Marlins player roster, coaches, and broadcasters canvas the In-County area, listening to presentations from students, learning what the students learned, and sharing their own personal experiences in education and what it means to them. Marlins Think Tank Week takes place during May, Education Month.

Teacher Appreciation Night

The Marlins recognize the Teacher of the Year from Miami-Dade, Broward, Monroe and Palm Beach counties during a pre-game ceremony. Complimentary tickets are given to every school's Teacher of the Year nominee.

Breaking Barriers Essay Contest

Through Major League Baseball, the Marlins offer the Breaking Barriers essay contest to all students in grades 4-8. Students are required to submit an essay about barriers or obstacles they have faced or are still facing in their lives, and how they used the values exemplified by Jackie Robinson to deal with those obstacles.

Tours

The Marlins offer behind-the-scenes tours of the state-of-the-art Marlins Park to schools and classrooms. Schools receive a 20 percent discounted rate and for every ten students, one chaperone receives a complimentary tour. Specialized school tours offered include "Green" tours, Art In Public Places tours, and History of Sport tours.

THE ARTS

The Marlins recognize that an important part of developing a strong mind is stimulating creativity and imagination. The Marlins host programs to enhance the lives and learning of children and adults alike via the arts.

The Marlins Think Tank Art Contest

The Marlins Think Tank Art Contest artistically engages the youth of South Florida. Young artists are invited to participate in the Holiday Series. This Series invites elementary, middle and high school students to create the cover of the Marlins Foundation's holiday card. Art is always original and can use various mediums.

BASEBALL

Marlins Youth Baseball Clinic Series

The Marlins Youth Baseball Clinic Series allows Marlins coaches and players the opportunity to pass along their baseball knowledge. In order to give children the experience of learning baseball from professionals, the Marlins conduct clinics on select Saturday mornings throughout the year. Marlins players and coaches reinforce the fundamentals of pitching, hitting and fielding.

RBI

Reviving Baseball in Inner Cities (RBI) is a youth program offering children ages 13-18, who live in disadvantaged areas, the opportunity to participate in organized baseball. This program is designed to promote interest in baseball, academic achievement and social responsibility in underserved areas of South Florida. The Marlins supply the uniforms, umpires and equipment for more than 500 children. All participants enjoy a fun and competitive summer league, clinics hosted by Marlins players and alumni, recognition on the field during RBI Night, and the opportunity to be selected for the RBI All-Star team that competes in the Southeast Regional Tournament.

Jr. RBI

The Marlins have partnered with the City of Miami Parks and Recreation Department and the Miami-Dade County Parks and Recreation to offer the Jr. RBI league. Through the league, children have the opportunity to begin playing in the T-ball division and advance through the Coach Pitch division and into the Kid Pitch division. The league has been funded through the Marlins Foundation. The program allows kids the opportunity to begin playing baseball at a younger age so that they may eventually graduate into the RBI program.

RBI Scholarship Opportunities

Major League Baseball Charities has awarded college scholarships, each valued at \$5,000 per year over four years to high school seniors who participate in RBI. Students receive the grants through the "RBI for RBI" Scholarship Fund created to provide financial support for select college-bound student athletes. Six Marlins RBI participants have received the scholarship over the past five years.

To expand opportunities, in 2014 the Miami Marlins launched the Marlins RBI scholarship. The Marlins RBI Scholarship is awarded to two current Marlins RBI league participants. These awards are to support student athletes who will not be receiving a full athletic scholarship, but possess a desire to continue their academic education. The 2016 recipients included Deborah Vainstein from Dr. Michael Krop High School, currently attending Northwestern University, and Michelle Oliva from Barbara Goleman High School, currently attending Florida State University.

Baseball Tomorrow Fund Equipment Drive

Marlins fans are encouraged to donate new or lightly used equipment to the Baseball Tomorrow Fund Equipment Drive. Marlins players also participate by conducting a collection in the clubhouse and contributing their own equipment to this worthy cause. The collected equipment is distributed to disadvantaged ballplayers throughout South Florida and the Caribbean.

COMMUNITY OUTREACH

Marlins Ayudan

Marlins Ayudan (Spanish for "help") is the signature outreach initiative of the Miami Marlins. The purpose of Marlins Ayudan is to provide a sustainable corps of volunteers willing and ready to effectuate positive change in our community. It is the fabric of our corporate culture and engages every front office employee with schools and charities throughout South Florida.

The goal of Marlins Ayudan is to leave a lasting legacy through impactful service activities that tackle South Florida's most pressing needs. We aspire to be known by our neighbors, residents and fans as a corporate leader in volunteerism that makes a difference every day.

Easily identified by the signature Blue Jerseys, members of the Miami Marlins Front Office have contributed over 44,000 hours of community service since the inception of the program in 2010. Furthermore, the Marlins Ayudan program has established partnerships and traditions of giving that inspire employees to pursue their passions and contribute their time and talents year-round.

The three-tier Ayudan methodology consists of organizational service days, team events and individual volunteer opportunities.

Marlins Ayudan is a direct and visible demonstration of our Corporate and Social Responsibility.

Day of Service and Philanthropy

Once per year the Marlins organization closes its doors and sends the entire front office to complete a large scale service project. In 2016 the Marlins Ayudan Day of Service and Philanthropy was hosted in conjunction with the Miami Foundation's Give Miami Day – the single largest day of giving in Miami-Dade County. Marlins Ayudan's efforts led to over \$33,665 in donation to various non-profit organizations. During the same day, Marlins Ayudan completed nine simultaneous service projects: sorting books at the Miami Book Fair, packing 5,000 meals with Meals of Hope, a field day with Up2Us Sports, painting Jackie's Nine Values signs, bathing and walking dogs with Miami-Dade Animal Services, implementing the Museum in a Box program with Miami Children's Museum.

Day of Civic Engagement and Philanthropy

The Marlins closes its doors a second day to engage the community. Front office employees canvas South Florida completing Random Acts of Kindness. Each year employee volunteers are tasked with engaging the community philanthropically as well. In 2016 Blue Shirts visited culturally and historically significant sites across Miami-Dade County. Each team also partnered with Up2Us Sports to put on 15 Play Ball events at 9 schools.

Marlins Ayudan School Partnership Program (MASPP)

Through this initiative, Marlins Ayudan Blue Shirts impact the lives and education of the youth in Miami-Dade County Public Schools. Volunteers and programs are guided by focused involvement with students, faculty and staff at seven partner schools. Signature offerings include a literacy program, a mentorship program, and a Career Workshop Series.

2016-2018 Marlins Ayudan Partner Schools:

The 2016-2018 Partner schools were selected by an application process and include: Citrus Grove Elementary, Lenora B. Smith Elementary, Kinloch Park Middle and Miami Senior High School.

Literacy Program

Reading A-Z's mission says that "literacy is the key to success, not just in school, but in life." Marlins Ayudan utilizes this web-based program along with its application, RAZ Kids in 1-hour tutoring sessions with 20 students in need at each partner elementary school. Marlins Ayudan implements with the "I do, We do, You do" method to achieve literacy.

Mentorship Program

The Marlins Ayudan Mentorship Program was developed specifically for Middle School Partners. The program engages teams of Marlins Ayudan Mentors and Middle School Mentees in a series of sessions designed around the Nine Values of Jackie Robinson. A Marlins Ayudan Mentor is a caring Blue Shirt who devotes time to help young people discover their strengths and achieve their potential. Blue Mentors serve as a positive role model and encourage young people to explore their identity and open their eyes to future possibilities.

Career Workshop Series

The Career Workshop Series offers students a real-world glimpse at a variety of disciplines as they begin to think about the types of careers to explore later in life. The program teaches Major League Essentials for Young Leaders: Vocation, Ethics, Professionalism, Commitment, and Networking and is offered to MASPP School Miami High as well as the Sports Leadership and Management Academy (S.L.M.A.). The schools also visited The University of Miami, Florida International University and Miami Dade College Wolfson Campus. At each college they were given a tour and met with someone from admissions, registration, financial aid and housing.

Player Appearances

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with fans outside the ballpark.

Youth Baseball and Softball Partnership Program

The Marlins invite youth baseball and softball leagues throughout South Florida to become partners. Benefits include access to group rates for tickets, parades for league participants and exclusive league recognition during games.

Ballpark Buddies/Corporate Partners for Youth

Through the Ballpark Buddies program, tickets are distributed to local charities and underprivileged youth groups throughout the season. The tickets are provided by the Marlins Corporate Sponsors as well as the Commissioner's Community Initiative.

Group Fundraising Efforts

The Marlins offer special group rates for events such as Salute to Youth Baseball Days, Scout Nights, Religious Organization Nights and Baseball Buddies. For more information, contact Marlins Group Sales at 1-877-MARLINS.

PLAYER/COACH INITIATIVES

Dee Gordon

When Dee was a young child, he lost his mother to an act of domestic violence. As a result, he created the Flash of Hope program. Flash of Hope is run in partnership with the Florida State Attorney's Office, who provides their resources to identify youngsters who have lost a parent through an act of domestic violence. Once a month, Dee invites a child and his/her family to enjoy a Marlins game. As a part of their experience, the family receives a Flash of Hope T-shirt, tickets to the game along with a food voucher. Prior to batting practice, Dee meets with the family, offering his support and sharing his story.

Giancarlo Stanton

As part of Marlins All-Star outfielder Giancarlo Stanton's philanthropic commitment to the South Florida community, he has created the All-Star Smiles program. Developed in partnership with Spodak Dental Group, the program aims to provide dental care at no cost to underserved youngsters in South Florida.

In 2015, Giancarlo changed the lives of dozens of children who had been pre-screened at Lenora B. Smith Elementary and identified as needing intensive dental work. Giancarlo spent time with every single child who sat in one of the chairs at Spodak Dental from 9 a.m. until 3 p.m. At the end of the day, \$50,000 worth of dental care was provided to underserved children who, in some cases, were visiting the dentist for the first time.

Jeff Urgelles

In August 2012, Jeff Urgelles was warming up for a road game in Arizona when a game day employee collapsed in cardiac arrest. Having been a firefighter/paramedic for Miami Dade Ambulance, Urgelles knew how to perform CPR and did so successfully until the paramedics arrived and took over.

Realizing just how important it was to be knowledgeable about CPR, in conjunction with the Marlins Foundation, Urgelles started Compression for Life to teach others how to care for their hearts to avoid scary situations like the one he experienced. The program teaches youth at Boys and Girls Clubs of Miami-Dade about heart health and provides CPR and first aid training.

MARLINS FOUNDATION

Mission Statement

The Marlins are committed to leaving a legacy that will make our fans, neighbors and partners proud through the values of Corporate Social Responsibility.

Through Marlins Charity Partners, the team makes a deep and focused impact with South Florida youth through education, the arts and baseball. This values-driven program is a signature example of the team's commitment to Corporate Social Responsibility and civic engagement.

JEFFREY H. LORIA

OWNER

- Jeffrey H. Loria begins his 16th season as Owner of the Miami Marlins and sixth in Marlins Park. Loria officially became the third owner in Club history after purchasing the Marlins from John Henry on February 15, 2002, and he took over the team following the sale's unanimous approval by Major League Owners.
- His vision for Miami and attention to detail made Marlins Park an architectural marvel and one of the country's most unique and beautiful ballparks. His guidance helped the facility earn LEED Gold Certification, officially making it the greenest ballpark in America. Marlins Park is also the world's first retractable-roof facility to earn such honors. Marlins Park earned more than 20 national, regional and local awards for excellence in areas such as construction, architecture, technology, landscaping and environmental efficiency.
- In 2015, Loria was appointed to Major League Baseball's Long Term Strategic Planning Committee. He also serves on the International Committee, a position he has held since its inception.
- The Marlins were officially awarded the 2017 All-Star Game at a press conference held at Marlins Park on February 13, 2015. Loria led the Club's efforts along with Miami-Dade County, City of Miami and City of Miami Beach officials, as well as civic and business leaders on the community's successful bid to host the Midsummer Classic. In 2017, Marlins Park will become the first MLB venue to host both the World Baseball Classic and the All-Star Game in the same year.
- Loria led the Marlins to a World Series title in his second season, 2003, becoming the fastest majority owner to join a franchise and guide it to a championship since Detroit Tigers Owner Thomas S. Monaghan won in his first season in 1984.
- After a 16-22 start to that championship campaign, he made a managerial change on May 11, naming Jack McKeon the seventh manager in Marlins history. That, along with the acquisitions of American League saves leader Ugueth Urbina (Texas Rangers) and South Florida baseball favorite Jeff Conine (Baltimore Orioles), sparked the Marlins to the National League Wild Card and eventual World Series Championship.
- The Marlins won the 2003 World Series in six games over the New York Yankees, capped off by a 2-0 shutout at Yankee Stadium on October 25. The Marlins won 91 games that season, one shy of the Club record established during the 1997 Championship campaign. No team won more games than the Marlins from May 23 through the end of that second championship season.
- Loria first became involved in professional baseball in 1989 when he purchased the Triple-A American Association Oklahoma City 89ers, now the Pacific Coast League's RedHawks, which he owned until 1993. He was named the American Association's Executive of the Year in 1992. The same season his Club won the Triple-A Championship.
- Born in New York City, he received his undergraduate degree from Yale University in 1962, before earning his MBA from Columbia University.
- A leading international Art Dealer since 1962, Loria specializes in major paintings and sculptures by 20th Century Masters. He is a former member of the Board of Directors of the Art Dealers Association of America and is an emeritus member of the Board of Directors for the Benjamin N. Cardozo School of Law of Yeshiva University in New York City. He is also active in supporting numerous charitable organizations around the world, including hospitals, educational institutions and museums. He is the author of two books, "Collecting Original Art" and "What's It All About Charlie Brown?"
- He divides his time between his homes in New York and South Florida.

DAVID P. SAMSON

PRESIDENT

- David Samson enters his 18th season in Major League Baseball and 16th as President of the Miami Marlins. He is the second-longest tenured team President in MLB and is one of only seven current Presidents to preside over a World Series champion. He is a member of Major League Baseball's Competition Committee and the Diversity & Inclusion Committee.
- As Club President, Samson oversees all aspects of the team's day-to-day business operations, including sales, marketing, operations and personnel matters. He also oversaw the successful completion of Marlins Park in Miami. Construction of the baseball-only, retractable roof, air-conditioned facility exceeded all stated goals from local worker participation to local firm involvement. Under Samson's leadership, Marlins Park was completed on time and under budget while also earning Gold LEED certification, officially making it the greenest ballpark in America and the world's first-ever retractable roof facility to earn such distinction.
- Samson works closely with Owner and CEO, Jeffrey Loria, on all baseball matters and general corporate strategy. Samson also presides over the Marlins Foundation, which focuses its efforts on baseball, arts and educational needs of the South Florida community. The Foundation has distributed over \$7.0 million to worthy charities in South Florida since the ballpark gained approval in 2008 and Marlins' Ayudan, a Corporate Social Responsibility Program, has now surpassed over 46,000 hours of volunteer service.
- Samson, 49, was born in Milwaukee, WI, and was raised in New York City. He graduated from the University of Wisconsin-Madison with a bachelor's in Economics in 1990. He received a Juris Doctor from the Benjamin N. Cardozo School of Law in New York City in 1993. He is a member of the New York State Bar. Following law school, Samson became President and Founder of News Travel's Fast, the first company to deliver the New York Times to Europe on a same-day basis, in 1996. Samson joined Morgan Stanley, an investment bank in New York City, a position he resigned in 1999 when he joined the Montreal Expos as Executive Vice President.
- Among his accomplishments, Samson was named one of Sports Business Journal's "Forty Under 40" for two years running, 2003-04. Other highlights, in addition to the 2003 World Series Championship, included the Florida Marlins being named South Florida's No. 1 Film and Entertainment Company of the Year and Baseball America's Organization of the Year.
- On October 21, 2006, Samson became the first active team President to complete the Ford Ironman World Championship Triathlon in Kona, Hawaii, in addition to swimming 2.4 miles, biking 112 miles, and then running a full marathon, all in 15 hours, 36 minutes. Samson personally raised over \$250,000 for the Marlins Foundation, the Challenged Athletes Foundation ("CAF") and other local Hawaiian charities.
- Samson concentrates his charitable efforts on helping underprivileged and sick children experience summer camp and improved education and health care. In addition, he is a member of CAF's Board of Directors. His vision is to help increase its visibility, thus enabling more physically challenged athletes to compete in triathlons as well as other sports.
- In 2016, Samson received The Hope Award, which is the National MS Society's highest volunteer award at a gala that raised over \$600,000.
- In 2010, Samson was named Benjamin N. Cardozo School of Law's Board of Overseers and in 2014 he was named Chairman of the Board. As a member of this board, he works to continue Cardozo's renowned clinical programs, as well as the continued growth of its public interest scholarship programs. He is also on the board and executive council of Yeshiva University. Samson also serves on the Miami Children's Museum Board of Directors.
- On April 27, 2012, Samson ran 52.5 miles from Pompano Beach to Marlins Park to raise funds for 10 "Charities of Choice" to honor the construction workers who made Marlins Park a reality. The run raised over \$600,000 through sponsor and individual donations.
- In 2014, Samson was one of 18 contestants on the 28th season of SurvivorTM. He is the only active team executive to appear on the show and one of fewer than 500 people in the United States to be selected to participate. Samson also starred asorne Michaels in the 2014 production entitled "Not Ready for Primetime." This full-length feature play detailed the beginnings of "Saturday Night Live."
- In 2015, Samson along with owner Jeffrey Loria, worked with Miami Dade County, City of Miami, and City of Miami Beach officials, as well as civic and business leaders to bid for the 2017 All-Star Game. On February 13, 2015, the 10th Commissioner of Baseball, Robert D. Manfred, Jr. awarded the 2017 Midsummer Classic to Miami. In 2017, Marlins Park will become the first M.L.B. venue to host both the World Baseball Classic and the All-Star Game in the same year.

He was a valuable member of both Marlins' World Series Championships during two separate stints with the Club, from 1993-97 and 2003-05. After retiring from baseball, Conine trained for and completed the 2008 Ford Ironman World Championship, becoming the first former Major Leaguer to finish the endurance race.
- A two-time All-Star (1994-95), Conine was twice named the Marlins' MVP by the South Florida Chapter of the BBWAA (1994-95) and was the MVP of the 1995 MLB All-Star Game. For his Marlins career, Conine hit .290 and ranks among the all-time Marlins leaders in games (1,014 - 2nd), hits (1,005 - 3rd), RBI (553 - 2nd), at-bats (3,471 - 4th) and home runs (120 - 8th). He also hit six grand slams as a Marlin, more than any other player. He was the Opening Day left fielder in their inaugural game in 1993, going 4x4 with the first stolen base in Club history, and was in the Marlins' Opening Day lineup six times.
- He was originally acquired by Florida in the 1992 Expansion Draft from the Kansas City Royals, and after stops in Kansas City and Baltimore, returned to the Marlins at the trade deadline in 2003 for the team's playoff run. Conine re-signed with Baltimore prior to the 2006 season and was traded three times in two years (to Philadelphia, to Cincinnati, to New York-N.Y.), before finishing his ML career after 2,024 games. His career totals include 1,982 hits, 385 doubles, 214 home runs, 1,071 RBI and a .285 average.
- Among his career highlights, he earned a .304 average in 32 postseason games, all with the Marlins. In addition to his MVP honors with the Club, he also earned the award with the Baltimore Orioles in 2001. He garnered AL Player of the Week honors for May 27-June 2, 2002, after posting a .375 average with five home runs, nine RBI and 26 total bases. In 1995, he earned the NL Player of the Month for June, batting .340 with six doubles, nine home runs and 24 RB. Conine was named to TOPPS and Baseball America's All-Rookie teams in 1993 and was the 1990 Southern League Most Valuable Player, the Royals' Minor League Player of the Year and a Double-A All-Star as voted by TOPPS and Baseball America.
- Born in Tacoma, Wash., Conine and his wife Cindy have a daughter Sierra and two sons, Griffin and Tucker. The Conine family has been active in the South Florida community since his arrival in 1993, including founding the Conine All-Star Classic, an annual golf tournament to raise money for the Joe DiMaggio Children's Hospital in Hollywood, Fla. He also provides analysis for Marlins Live, pre- and postgame shows on FOX Sports Florida.

ANDRE DAWSON

SPECIAL ASSISTANT TO THE PRESIDENT

- Andre Dawson enters his 18th season with the Marlins and 16th as Special Assistant to the President. "Hawk" joined the organization on January 5, 2000, as Special Assistant to the General Manager. The 2010 campaign saw Dawson inducted into the National Baseball Hall of Fame in Cooperstown, NY, on July 25. Dawson was the only player to earn entry into the Hall in '10, going in with former manager Whitey Herzog and umpire Doug Harvey. Dawson appeared on 420 of the ballots cast (77.9%) by members of the BBWAA to become the 292nd member of the Hall. He was the 203rd player and 68th outfielder to gain acceptance.
- Dawson played 21 seasons for Montreal, Chicago (NL) and Boston, before finishing his career with Florida in 1995-96. He ranks 16th all-time in National League history with 1,476 RBIs and ranks among the top 50 in baseball history in home runs (43rd with 438), RBI (37th with 1,591) and at-bats (27th with 9,927). He became the 11th player in Major League history to hit 400 National League home runs when he homered off of Dave West on June 16, 1995 at Veterans Stadium. Dawson hit a three-run home run in his next-to-last game played at Sun Life Stadium on September 22, 1996, vs. Houston. His 438 career home runs are the fourth-most by a Florida native, behind Gary Sheffield (499), Fred McGriff (493) and Chipper Jones (468).
- Dawson won the 1987 National League Most Valuable Player Award in his first season with the Chicago Cubs when he set career highs with 49 home runs and 137 RBI. He became the first player in MLB history to win an MVP Award while playing for a last-place team. He finished second in voting for the 1981 MVP.
- An eight-time National League All-Star and Rawlings Gold Glove Award winner, Dawson totaled 2,774 hits and 314 stolen bases. He was also the first player in Major League history to reach double digits in home runs and stolen bases for 12 consecutive seasons. He tied a Major League record by hitting two home runs in one inning in 1978 and 1985. He won the Jackie Robinson National League Rookie of the Year Award in 1977.
- Dawson, 62, his wife, Vanessa, and their children, Darius and Amber, reside in Pinecrest, Fla. Dawson graduated from Southwest Miami Senior High School and Florida A&M University in Tallahassee. Following the 1987 season, South Miami honored him by renaming a street "Andre Dawson Drive."

TONY PÉREZ

SPECIAL ASSISTANT TO THE PRESIDENT

- Tony Pérez enters his 25th season with the Marlins and 16th as Special Assistant to the President. Pérez joined the organization on July 19, 1993 as Special Assistant to the General Manager. On May 28, 2001, Pérez was named the fifth manager in Club history and posted a 54-60 record (.474), the seventh-highest winning percentage in Marlins' history (min. 100 G). On October 5, 2001, Pérez announced that he would return to the front office.
- Pérez was inducted into the National Baseball Hall of Fame in Cooperstown, N.Y. on July 23, 2000, along with catcher Carlton Fisk. He was elected to the Hall of Fame on January 11, 2000, in his ninth year of eligibility, when he was named on 385 of the 499 ballots (77.2%). Pérez became the first Cuban-born player to be voted into the Hall of Fame by the Baseball Writers Association of America. He was also inducted into the Caribbean World Series Hall of Fame in February 1998.
- A native of Camaguey, Pérez was the fourth Cuban to manage in the Major Leagues when he took the reins of the Reds prior to the 1993 season. He was replaced on May 24 after posting a 20-24 mark. Pérez served as a coach with the Reds for six seasons, serving as the first base coach in 1987, hitting coach from 1988-89 and both first base and hitting coach from 1990-92.
- The Hall of Famer played 23 Major League seasons with Cincinnati, Montreal, Boston and Philadelphia. His 1,652 RBI are the second most by a Latin American player (behind Rafael Palmeiro's 1,775), and he is tied with Orlando Cepeda for seventh in home runs by a Latin-born player with 379. He ranks 15th in National League history with 1,477 RBI and 30th in Major League history with a total of 1,652 RBI. Pérez produced at least 90 RBI in 11 straight seasons (1967-77) and more than 100 RBI seven times. Pérez is tied for 67th on the all-time home run list and ranks 57th in hits.
- Pérez played in five World Series, including four with the Reds, and won the championship in 1975 and 1976. His sixth-inning, two-run homer in Game 7 of the 1975 World Series helped propel the Reds to a 4-3 win.
- Pérez was a seven-time All-Star and MVP of the 1967 game at Anaheim when he hit a 15th-inning homer to win the game. He is the oldest player (one day before 43rd birthday) ever to hit a grand slam, surpassing Cap Anson, who hit one in 1894 at the age of 42 years, 3 months.
- Pérez, 74, and wife, Pituka, make their offseason home in Santurce, Puerto Rico. They have two sons, Victor and Eduardo. Eduardo currently works for ESPN as a baseball analyst and FOX Sports Florida as a color analyst. He was a first-round pick by the Angels in 1991 and made his Major League debut in 1993. Eduardo played for the Angels, Reds, Cardinals, Devil Rays, Indians and Mariners.

2016 SUMMARY

- In first full Major League season, went 8-6 with 3.85 ERA (133.1 ip/57 er) in 25 starts. Ranked second among Marlins' starters in ERA and third in innings pitched, wins and strikeouts (124)
- Missed 29 games from August 15-September 25 with tendinitis in left third finger
- Struggled in first start of season, April 7 at Washington, allowing two hits, three runs and two walks while striking out two in just 1.0 inning of work
- In second start of season, recorded career-high nine strikeouts over 6.0 shutout innings, April 13 at Citi Field, allowing just four hits and a walk. Matched strikeout mark three other times (also June 1 vs. Pittsburgh June 28 at Detroit, July 17 at St. Louis)
- Combined to strike out 17 in two starts from April 13-19, which marked most strikeouts by a Marlins left handed starter in consecutive appearances since Dontrelle Willis struck out 18 from Sept. 10-15, 2006 (*Stats LLC*). Did so for second time from June 1-7
- Earned first win after no-hitting Milwaukee over 7.2 frames on April 29 at Miller Park. Walked four and struck out seven.
- In research provided by Elias, Conley, who left game with 5-0 lead after throwing 116 pitches, was first pitcher in Major League history to be removed from a start with a lead after pitching at least 7.2 innings without allowing a hit. Previous all-time record had been established just three weeks before, when Dodgers rookie Ross Stripling pitched 71 hitless innings in his Major League debut on April 8 at San Francisco.
- Earned second win of season on May 5 vs. Arizona. Allowed two hits and a walk with six strikeouts in 5.1 innings. Did not allow a hit until fourth inning, running hitless innings streak to 11.1. - Walked one batter or fewer in 10 of first 18 starts and 16 of first 29 career starts. Marked second-most such games by a Marlins starting pitcher through first 29 career starts, behind Brian Meadows (18). Finished season with 12 starts allowing no more than one walk, going 5-2, 2.49 (68 2/3) in those outings
- Struck out 37 batters across six starts in June, setting new career high for strikeouts in a month, surpassing 30 in September 2015
- Tossed 6.0 scoreless innings on July 3 against Atlanta at Fort Bragg, N.C., to earn career-high fifth win. Allowed four hits and a walk with two strikeouts in Miami's 5-2 victory.

2016 IN REVIEW

FISH BITES: The Marlins (79-82) finished in third place in the National League East for the second consecutive season in 2016, after not having done so since 2010. The Fish went 47-41 in the first half, the second-best pre-All Star winning percentage in Club history (.534), behind only a .581 (50-36) mark in 1997. Miami went just 32-41 (.438) after the Midsummer Classic, however only the 16th best mark in Club history. Nonetheless, the Marlins improved by eight wins over their 2015 finish (71-91), and turned in the ninth-best winning percentage in Franchise history, tied with 2000 (also 79-82). Miami played just 161 games this season due to the cancellation of a September 25 home game against the Braves following the death of starting pitcher José Fernández.

HITTING: The Marlins ranked second in the National League with a team batting average of .263, bested only by a .275 mark by Colorado. It was the best ranking for the Club since leading the NL with a .272 average in 2005, and just the third time they finished in the top three (third in 2009 at .268).

They ranked third in the NL with 1,460 hits, the sixth-most in Club history. However, they hit just 128 home runs, tied for the seventh-fewest in Club history and ranking second-to-last in the NL, ahead of only Atlanta (122). They also scored just 655 runs, the third-lowest in the NL. Miami had 42 triples, two off the Club record of 44 set in 1999 and 2003, and tied with 2006 for third all-time.

PITCHING: Miami finished the season with a 4.05 ERA, just three points higher than its 2015 finish. That ranked sixth in the NL in 2016, best among non-playoff teams. The staff's .251 average against ranked fifth in the NL, as did its 1,379 strikeouts, which was a Club record (formerly 1,248 in 2009). The average against ranked third in Club history behind 1997 (.250) and 2013 (.251). Its 152 home runs allowed tied the Mels for the fewest in the Majors, despite ranking just 16th in Club history.

The starting rotation registered 809 strikeouts, besting the former Club record of 801 set in 1997 and ranking sixth among NL rotations. It also posted its seventh-best average against, at .260, and allowed just 104 home runs, the fourth-lowest mark in the NL. The bullpen posted a 3.63 ERA, the fifth-best mark in Club history and ninth in the NL. It held opponents to a .237 average, fifth-best in the NL and second-best in Club history, behind a .232 mark in 2011. Miami relievers punched out 570 batters, the second-best mark in the NL behind the Dodgers (633), and a new Club record, besting 2007 (526). However, the bullpen had 29 blown saves, the most in Club history and second-most in the NL, behind San Francisco (30).

FIELDING: One year after setting a new Club record with a .987 fielding percentage, the Marlins registered their fifth-best mark ever, at .985. They committed just 86 errors, the third-lowest total ever behind 2015 (77) and 2003 (76). Their fielding percentage ranked fourth in the NL, and they committed the fourth-fewest errors, behind only San Francisco (72), Washington (73), and the Dodgers (80).

THE SADDEST ENDING: Unfortunately, the positive storylines of 2016 that were generated by Ichiro's march into history, the development of Miami's young 20-homer outfield, and the re-emergence of José Fernández as one of the game's most dominant pitchers was overshadowed by the tragic death of Fernandez in a boating accident on September 25. It is with respect that we look back on feats that José accomplished on the diamond in 2016.

KID K: José Fernández set a new Club record in 2016 with 253 strikeouts, which ranked third in the Majors (second in the NL),

behind Max Scherzer (284) and Justin Verlander (254). Fernández, however, reached his total in just 29 starts and 182¹/₃ innings, compared to 34 starts each for Scherzer (228¹/₃) and Verlander (227²/₃). Fernández led the Majors with a strikeout-per-9.0 innings rate of 12.49, well ahead of Robbie Ray (11.25) and Scherzer (11.19). José's mark did not just set a new Club record, besting a mark he set in 2013 (9.75), but was also the fifth-highest mark by a starting pitcher in Major League history (since 1913) behind Pedro Martínez in 1999 (13.22), Randy Johnson in 2001 (13.20), Kerry Wood in 1998 (12.58), and Johnson in 2000 (12.56). **STATS LLC**

MAN OF THE HOUSE: Fernández finished his career with 42 home starts, during which he went 29-2 (.935) with a 1.49 ERA. According to *Elias*, no pitcher in the history of the game produced a higher winning percentage or lower ERA over the first 42 home starts of his career.

A MAY FOR THE AGES: With his win over the Pirates on May 31, Fernández completed May with a 6-0 record, a 1.38 ERA, and a Club-record 56 strikeouts. He was the first starter to win six games in May since Kenny Rogers in 2005 and the first to win six games in a month since Jake Arrieta and Joe Kelly did so in August 2015. Chris Hammond was the only other Marlins' starter to record six wins in a single month (June 1993). According to *Elias*, Fernández was just the third starter since 1893 to go 6-0 with 50 strikeouts in May, joining Pedro Martínez in 1999 and Roger Clemens in 1997.

GIVING AWAY NOTHING: On June 5 in Miami, Fernández struck out 14 Mets and did not issue a walk in seven shutout innings in the Marlins' 1-0 victory. Only three other pitchers since 1893 - the year that the pitching distance was set to 60' 6" - in a start of seven or fewer innings struck out at least 14 batters without issuing a walk or allowing a run: the Orioles' Mike Mussina at Boston in 2000 (15 SO, 7 IP), the Dodgers' Brad Penny in 2007 (14 SO, 7 IP) and the Rangers' Yu Darvish in 2013 (14 SO, 7 IP). - *Elias*

500 CLUB: On July 18 in Philadelphia, in his 65th career start, Fernández recorded 14 strikeouts, giving him 504 for his career. He became the third-fastest pitcher to reach 500 strikeouts as a starter since 1900, by games started, behind Dwight Gooden (61 GS) and Yu Darvish (62). He also became the fastest starting pitcher to 500 strikeouts, by inning, doing it in his 400th career inning, besting Darvish, who did it in 401.2 innings. - *Elias*

LUCKY #13: José Fernández struck out 14 Dodgers on September 9, tying his career high (fifth time, third time in 2016). He was one of 21 starters to record 13-or-more strikeouts in 2016, but was one of only two that did so more than once. Fernández had five such games, while Clayton Kershaw had three. In addition, Fernández was the only starting pitcher with multiple 14-strikeout games.

DENIED A NINTH: On June 11 in Arizona, Fernández's streak of eight straight starts with a win was snapped, leaving him tied with Chris Hammond (1993) for the longest such streak in Club history. Fernández was tagged with his third loss, ending the Franchise's second-longest streak (tied) of consecutive decisions with a win. - **STATS LLC**

Fernández went 8-0 with a 1.38 ERA and 78 strikeouts over his eight starts from April 28 to June 5, becoming just the third pitcher to go 8-0 with an ERA that low and that many strikeouts over an eight-start span (since the major leagues started keeping track of earned runs just over 100 years ago). Randy Johnson went 8-0 with a 1.10 ERA and 86 strikeouts over eight starts spanning the 1999 and 2000 seasons, and Clayton Kershaw went 8-0 with a 0.74 ERA and 80 strikeouts over an eight-start stretch in 2014. — *Elias*

A MILESTONE SEASON: Ichiro Suzuki recorded his 3,000th Major League hit on August 7 at Coors Field, knocking a triple off the right field wall, to become the 30th player in Major League history to reach the plateau and tie Roberto Clemente for 29th on Major League Baseball's all-time hits list. He became the fourth foreign-born player to reach the milestone, following Clemente, Rod Carew, and Rafael Palmeiro. He joined his former hitting coach, Paul Molitor, as the second player to reach the milestone with a triple. In research provided by *STATS LLC*, he was just the second player ever to reach 3,000 hits through his first 16 Major League seasons, following Pete Rose, who recorded 3,164 in his first 16 campaigns. For a more detailed look at the numerous milestones reached by Ichiro in 2016, see the box on the next page.

DEEP THREE: On September 21 vs. Washington, Christian Yelich joined Giancarlo Stanton (27) and Marcell Ozuna (23) in reaching the 20-home run plateau. It was the first time in Club history that the team's three primary outfielders all reached 20 home runs, and St. Louis was the only other Club to do so in 2016. Prior to 2016, the last Club with three outfielders reaching 20 homers was Milwaukee in 2008. Ryan Braun (37), Mike Cameron (25), and Corey Hart (20).

RARE CATCH: J.T. Realmuto had 268 hits, 52 doubles, and 21 home runs in his first two full seasons as a catcher (excluding his 11 games in 2014). According to *STATS LLC*, he was just the fifth catcher in MLB history to reach those plateaus in his first two full seasons as a catcher, joining Johnny Bench from 1968-69 (371 hits-65 doubles-41 homers), Benito Santiago from 1987-88 (286-55-28), Kenji Johjima from 2006-07 (286-54-32), and Russell Martin from 2006-07 (275-58-29).

CLOSE ONLY COUNTS IN...: Miami suffered a 6-2 loss at Cleveland on September 2, snapping a streak of 24 games (10-14) decided by three-or-less runs. It was the longest streak in Club history and tied for the second-longest in ML history; three other teams had done so prior to Miami (last, 1998 Brewers). — *STATS LLC*

40 FOR #44: RHP A.J. Ramos recorded his 40th save of the season on September 30 at Washington, becoming just the fifth closer in Club history to have 40-or-more saves in a single season. He joined Todd Jones (40 in 2005), Armando Benítez (47 in 2004), Antonio Alfonseca (45 in 2000), and Bryan Harvey (45 in 1993).

KYLE WITH A K: Kyle Barraclough notched one strikeout on August 29 at the Mets, making him the first Marlins' reliever ever to record 100 strikeouts in a season. The Marlins' previous high for a reliever was Robb Nen's 92 strikeouts in 1996.

GO AHEAD OF ME: Christian Yelich notched 34 go-ahead RBIs, which led the National League and tied Miguel Cabrera and Eric Hosmer for second in the Majors. According to *STATS LLC*, Yelich had the second-most go-ahead RBI in a season in Club history, behind Preston Wilson's 35 in 2000.

LATE SEASON RUN: Dee Gordon stole 14 bags (in September, leading the Majors). He was the sixth Marlins' player (ninth time) to reach 14-plus steals in a month, joining Luis Castillo (19 in May 2000; 16 in August 1999), Juan Pierre (17 in July 2005; 16 in June 2003; 14 in July 2003), Emilio Bonifacio (16 in July 2011), Chuck Carr (16 in September 1993), and Hanley Ramírez (14 in August 2007).

SINGLES NIGHT: The Marlins finished their game in Atlanta on September 12 with 16 consecutive singles, setting a new Club record for one game. They proceeded to rattle off five more singles to open the next night. The 21 consecutive singles tied the Club record for a multiple-game span (September 11-17, 1993 and Sept. 2-4, 2000).

THE ONE THAT GOT AWAY: Martín Prado committed an error on June 30 at Atlanta, snapping a streak of 28 games by the Marlins' infield without a miscue. According to *STATS LLC*, it was the longest streak since at least 1913, ahead of a 25-game run by Baltimore on May 22-June 15, 2015.

ALL-STAR FOURSOME: The 2016 National League All-Stars were announced on July 7, and the Marlins sent four players to the Midsummer Classic, tying a Club record. Right-handed pitchers José Fernández (second career ASG selection), A.J. Ramos (first) and Fernando Rodney (third) joined outfielder Marcell Ozuna (first) in San Diego. Ozuna ended up starting the game due to injuries.

30-30 CLUB: A.J. Ramos recorded his 30th save on July 18 to become the fourth Marlins' pitcher with two 30-plus save seasons. Ramos had 32 saves in 2015. Steve Cishek (2013, 2014), Juan Carlos Oviedo (pitching as Leo Núñez in 2010, 2011), and Robb Nen (1996, 1997) are the only other Marlins to do so. Additionally, Ramos earned a save in seven of 10 team games from July 5-19, marking the second time he accomplished the feat in 2016 (also, April 24-May 5). Prior to 2016, it had only happened twice in team history, by Steve Cishek (July 20-29, 2014) and Antonio Alfonseca (June 30-July 13, 2000).

SOLO JOBS: On June 20 vs. Colorado, the Marlins (3) and Rockies (5) combined for eight homers, a Marlins Park record. What's more, every home run that night was a solo shot, which tied the National League record for most solo home runs in a game. Also, according to *STATS LLC*, it marked the most solo home runs to account for all scoring in a single game in Major League history. The previous record was five (seven times), last done by the Mariners (3) and Angels (2) on May 4, 2015.

THERE'S A BEAR ON THE LOOSE: Marcell Ozuna had his 36-game streak of reaching base safely snapped on May 30. It was the longest of his career and the fourth-longest in the Majors in 2016, behind Freddie Freeman (46), Jayson Werth (46), and DJ LeMahieu (38). Ozuna's streak was the longest by a Marlins' player since Logan Morrison reached in 42 straight from August 7-September 23, 2010.

CLUB RECORDS SENT SPINNING: A trio of Club pitching records were broken or tied on June 5 against the Mets. José Fernández won his eighth consecutive start, tying Chris Hammond (1993) for the longest in franchise history. Before he officially matched that feat, Fernández struck out 14 batters, marking his 14th career game with 10-plus strikeouts, passing Ricky Nolasco for the most in Club history. Fernández would finish his career with 18 such games. Lastly, when A.J. Ramos wrapped up a perfect ninth inning for his 18th straight save to start the season, he matched Juan Carlos Oviedo (2011) for the longest streak of saves to open a season in Club history.

A BUSY YEAR FOR ICHIRO

Ichiro Suzuki's pursuit of 3,000 hits in Major League Baseball and his unofficial quest to surpass Pete Rose's mark of 4,256 professional hits dominated much of the season's storyline for Miami. Aside from becoming the 30th player to reach 3,000 hits on August 7 at Colorado and recording his 4,257th combined career hit between MLB and Japan on June 15 at San Diego, Ichiro's busy season also included:

- Finished the season with 3,030 career hits, 25th on the all-time list according to *Baseball Reference*. He began the season tied with Barry Bonds for 35th place at 2,935. Along the way this year he passed Frank Robinson (2,943), Willie Keeler (2,956), Sam Crawford (2,964), Sam Rice (2,985), Roberto Clemente (3,000), Al Kaline (3,007), Wade Boggs (3,010), Rafael Palmeiro (3,020), and Lou Brock (3,223). Ichiro will begin 2017 trailing Rod Carew (3,053) for 24th place.
- Finished the season with 4,307 combined career hits between MLB (3,030) and Japan (1,278).
- Had 26 multi-hit games in 2016, which tied Julio Franco (2004) for 11th most in a single season by a player 42-or-older.
- Became first National League player 42-or-older to record four-or-more triples in a season since Honus Wagner (9) in 1916, and just fifth overall (sixth time). The others were Joe Start (4) in 1885, Jim O'Rourke (5) in 1893 and Cap Anson (4 & 5) in 1894-95. The last Major League player 42-or-older with four-plus triples was Luke Appling (4) in 1950.
- **April 29:** Recorded his 500th career stolen base at Milwaukee.
- **May 21:** Had four hits in four at-bats vs. Washington, a 3-2 win, becoming the oldest player to go 4x4 or better in a game since 45-year-old Pete Rose went 5x5 as the Reds' player-manager against the Giants on August 11, 1986.
- **May 21-23:** Recorded four two- and four hits respectively in a three-game span, becoming the first Major Leaguer age 42-or-older to collect 10 hits over a three-game span since Hall of Famer Cap Anson did that as 42 in August of 1894. He also tied a Club record for most hits in a three-game span, joining Hanley Ramirez (2010), Luis Castillo (2003), and Preston Wilson (2001). He became the only player in the Major Leagues since 1913 to have multiple four-hit games after the age of 42 years. 113 days. Pete Rose was the oldest to have one such game, when he tallied five hits at 45:19 on August 11, 1986 vs. San Francisco. The others older than Ichiro were Sam Rice (44:138 on July 8, 1934 vs. White Sox), Carlton Fisk (43:115 on May 10, 1991 at Toronto), Honus Wagner (43:109 on June 13, 1917 vs. New York Giants), Carl Yastrzemski (42:286 on June 4, 1982 at California), and Rickey Henderson (42:273 on September 24, 2001 at Colorado).
- **June 3:** Came off bench vs. the Mets as a pinch hitter in the seventh inning and ended up with two stolen bases. He was the oldest player since at least 1913 to steal two bases in a game after coming off the bench, and the fourth oldest ever with two steals in a game. On June 16, 2005, Julio Franco stole two bases at 46 years, 297 days to become the oldest with two steals. Rickey Henderson had three such games, doing so on May 29, 2002 (43:155), September 7, 2001 (42:256), and Sept. 2, 2001 (42:251). Honus Wagner was the other, stealing two bases at age 43:109 on June 13, 1917.
- **August 29:** Stole his 508th career base at Cit. Field against the Mets; his final steal of 2016, he finished the season six behind Barry Bonds and Willie Keeler (514) for 34th on the all-time stolen base list.
- **September 6:** In eighth inning against Philadelphia, he connected for his first home run of the season, the 114th of his career and the first as a pinch-hitter.
- **September 13:** Recorded 900th multi-hit game of his career at Atlanta. Among players in the modern era (since 1900), his 900 multi-hit games rank 15th all-time. Among players who debuted in the last 40 years (since 1977), only Derek Jeter (1,014), Paul Monitor (967), Tony Gwynn (951), and Eddie Murray (934) recorded more multi-hit games.

PINCH GRANNY: Justin Bour hit a pinch-hit grand slam on June 10 at Arizona. It was the sixth pinch-hit grand slam in Club history, the first since Jeremy Hermida hit one in his first career at-bat on August 31, 2005 vs. St. Louis. Bour has two career pinch-hit homers through 2016, both off of Tyler Clippard (other, Sept. 16, 2015 vs. the Mets). - *Elias*

GOING DEEP FOR A WIN: On June 13 at San Diego, Wei-Yin Chen became the first pitcher in Club history to allow four home runs in a game and still come away with a victory.

KEEP SWINGING: In Dee Gordon's at-bat in the eighth inning on April 12, he faced 16 pitches from Mets' reliever Jim Henderson, marking the most pitches seen in one at-bat by a Marlins hitter in Club history. In the at-bat, Gordon fouled off 11 consecutive pitches before hitting the 16th pitch to left field for a single. It was the longest plate appearance by an MLB player since Justin Turner drew a 16-pitch walk for the Los Angeles Dodgers off of Cincinnati's Johnny Cueto on May 26, 2014. - *STATS LLC*

GETTING HIS STEPS IN: Christian Yelich reached base safely via hit, walk or hit by pitch in each of his first 23 games played this season. His streak of 23 games was the second-longest active streak in MLB to start the season, Joe Mauer led with a 28-game streak. Yelich's streak ranks third in Club history, behind a 34-game streak by Logan Morrison to begin the 2011 season and Hanley Ramirez's 29-game streak to open the 2008 season.

SWEEP INFO: From April 25-28 the Marlins completed their first-ever series sweep in Los Angeles, and just their fifth sweep of the Dodgers overall. Miami, which had never swept a four-game set against the Dodgers, had last blanked them in a three-game series in Florida from September 6-8, 1999. The Fish have a trio of three-game sweeps and a two-game sweep in series history. It was the Marlins' first four-game sweep against any opponent since May 13-16, 2010 vs. the Mets, and their first four-game sweep on the road since Aug. 31-Sept. 2, 2004 at Shea Stadium against the Mets.

OPENING DAY ROSTER: The Miami Marlins on April 3 announced their 2016 Opening Day 25-man roster, breaking camp with 12 pitchers, two catchers, seven infielders and four outfielders. The roster breakdown is as follows. **PITCHERS:** LHP Craig Breslow, LHP Wei-Yin Chen, LHP Adam Conley, RHP Jarrod Cosart, RHP José Fernández, RHP Edwin Jackson, RHP Tom Koehler, RHP Dustin McGowan, RHP Bryan Morris, LHP Chris Narveson, RHP David Phelps and RHP A.J. CLUB HISTORY

HISTORY OF SUN LIFE STADIUM

Sun Life Stadium, originally known as Joe Robbie Stadium and now known as Hard Rock Stadium, was the first of its kind to be constructed entirely with private funds. The late Joe Robbie led the financing campaign to build "Joe Robbie Stadium" (JRS) for the Miami Dolphins of the National Football League (NFL). JRS revolutionized the economics of professional sports when it opened in 1987. Inclusion of a Club Level, along with Executive Suites, helped to finance the construction of the stadium. Season ticket holders committed to long-term agreements and in return they received first-class amenities in a state-of-the-art facility which is still used as a model for new facilities across the country.

Constructed in 1987 by the late Joe Robbie, the stadium is a multi-purpose facility with more than 15 million square feet, over 24,000 parking spaces, 75,000 seats and a playing field that meets standards for the NFL and World Cup Soccer.

Sun Life Stadium is equipped with a Prescription Athletic Turf (PAT) system which provides draining for its natural grass. It has an advanced mechanical drainage system that provides a firm, dry playing surface within a half-hour after as much as a three-inch per hour rainfall. Over the years, the Stadium's ground crews have been celebrated for providing one of the best playing surfaces in football.

On March 7, 1990, H. Wayne Huizenga, then Chairman of the Board and Chief Executive Officer of Blockbuster Video and Huizenga Holdings Inc., agreed to purchase 50 percent of Joe Robbie Stadium and became the point man in the drive to bring Major League Baseball to South Florida. That effort was rewarded in July of 1991 when South Florida was awarded a National League expansion franchise. To accommodate MLB baseball and the Florida Marlins, the stadium was retrofitted in 1992 to include retractable seating, a baseball press box, baseball dugouts, new lights and a hydraulic disappearing pitcher's mound.

On January 24, 1994, Mr. Huizenga acquired the remaining 50 percent of the stadium to give him complete ownership. Since 1991, more than \$250 million have been spent to upgrade and renovate the stadium. The improvement and revitalization of the building has allowed the stadium to remain one of the finest sports and entertainment facilities in the United States.

In February 2008, Mr. Huizenga sold 50 percent of the Miami Dolphins stadium and surrounding developable land to Stephen M. Ross of New York and Palm Beach. Mr. Ross, Chairman of the Related Companies, an international real estate development company, became an active partner. In January 2009, Mr. Ross closed on the purchase of an additional 45 percent of the team and stadium. Coupled with his earlier purchase of 50 percent of the franchise, the stadium and the excess developable land, Mr. Ross now owns 95 percent of the Dolphins and the stadium while Mr. Huizenga has a five percent share of both and remains a 50 percent partner in that land.

Over its glorious history, the stadium has hosted many marquee events, including five Super Bowls, two World Series, four college football National Championships, an NFL Pro Bowl and World Cup friendly matches. It has also hosted a variety of other internationally acclaimed entertainment events including concerts by J2, The Rolling Stones, Pink Floyd, Elton John, Billy Joel, Chicago, Genesis, Gloria Estefani, Guns N' Roses, The Who, Hall & Oates, Rod Stewart, Paul McCartney, The Three Tenors, The Police and Madonna.

MARLINE NOTES

WINNING A PAIR

YEAR	EXPANSION YEAR	WORLD TITLES	YEARS
MARLINS	1993	1997, 2003	11

POSTSEASON FIRSTS: The Florida Marlins played their first franchise postseason game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. Kevin Brown threw the first playoff pitch in franchise history to Darryl Hamilton. Brown collected the first Florida postseason strikeout, fanning J.F. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two out in the fifth inning. Florida's first postseason batter was Devon White, who faced Kirk Ruetter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh, when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING: The Marlins became the first team to qualify for the postseason and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS: The Marlins were the third team in postseason history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its postseason run with four straight wins, only the second team in baseball history with a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their postseason history, a four-game sweep in the 1914 World Series and a win over Cleveland in the 1948 playoffs.

NATIONAL LEAGUE DIVISION SERIES HISTORY

SWEEPING SUCCESS: With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a postseason series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVAN MOST VALUABLE, PART 1: Livan Hernández went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3). In the same series in Game 5, Hernández established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in post-season history. His 2-1, three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP: The 1997 Marlins became the second team to advance to the World Series, despite posting a lower batting average and higher ERA than their LCS opponent. The Braves out-hit the Marlins 253 to 199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992, when the Braves lopped the Pittsburgh Pirates in a series managed by Bobby Cox and Jim Leyland.

WORLD SERIES NOTES

LIVAN MOST VALUABLE, PART 2: Livan Hernández (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles who claimed the honor in 1959. Hernández also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernández became the youngest pitcher to win a World Series opener at the age of 22 years, 7 months and 28 days. He was the first rookie to win a Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN) and first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernández, the last rookie starter to win a Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND: Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990 vs. Oakland.

BRRR: In Game Three of the World Series, October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS: Game Seven of the World Series, won by Florida, 3-2, on an Edgar Renteria single off Charles Nagy in the bottom of the 11th inning, was the third Game Seven in World Series history to go to extra innings. The others were played in 1924 and 1991.

NOTABLE ACCOMPLISHMENTS: Jeff Conine became the first player to go from the expansion draft to the World Series with the same team. Conine was selected from Kansas City with the 22nd pick in the 1992 expansion draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kronepool in 1969.

A WINNING DEBUT: The Marlins won their first-ever World Series game on October 18, 7-4, over Cleveland at home. The prior team to win their first-ever World Series game was Toronto in 1992.

ALTERNATING WINS: The Marlins won World Series games one, three, five and seven, while the Indians took games two, four and six. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers, and the Yankees and Giants in 1962.

A HEART-STOPPER: Game Seven of the World Series marked the fourth time in World Series history that a winner take-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG) and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939 and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991 and 1993) and the fifth time in a winner-take-all situation.

The Marlins entered the 2003 postseason as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997) and the Boston Red Sox (1998, 1999 and 2003). Florida is one of three Major League Baseball expansion teams to make the postseason at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the postseason in 1976, 1977 and 1978. Arizona began play in 1998, and saw postseason action in 1999, 2001 and 2002. The Marlins are one of six teams to advance to the World Series as a Wild Card team and one of four (with the Angels, Red Sox and Giants) to win it.

SIX STRAIGHT: The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpasses the mark of consecutive postseason series wins to begin a team's playoff history, done by the Boston Red Sox from 1903-1918. Of the 29 Major League franchises who have participated in postseason play, the Marlins are the only ones never to lose a series.

A WILD POSTSEASON: During the 2003 postseason, the Marlins posted three extra-inning victories, matched three wins when trailing by three or more runs and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins are the fourth team in postseason history with three extra-inning wins and are the fourth team to win three games when trailing by three or more runs. Additionally, no postseason team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS: The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/18/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

NATIONAL LEAGUE DIVISION SERIES HISTORY

A SERIES FOR THE AGES: The NL Division Series between the Marlins and Giants featured 72-year-old Jack McKeon and 68-year-old Felipe Alou. McKeon was the oldest manager to participate in postseason play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK MCKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Davey Johnson	2012 Washington	69 years old
Carnie Mack	1937 Philadelphia (AL)	68 years old
Tommy Lasorda	1995 Los Angeles (NL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Jim Leyland	2013 Detroit	68 years
old		

The two opposing skipper in this NLDS, McKeon and Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in postseason history. Below is a look:

COMB. AGE	YEAR	TEAMS	MAN.
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NY-Y ATL (WS)	Stengel / Honey
126	1957	ATL-NYY (WS)	Honey / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
119	2013	DET-BOS (CS)	Leyland / Farrell
118	1953	BRO-NYY (WS)	Dressen / Stengel

WHAT WAYS TO WIN IT: The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned rallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from

behind to win a postseason game with two unearned runs in the bottom of an extra inning, according to the *Elas Sports Bureau*.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate on a Jeffrey Hammonds single to left. According to the *Elas Sports Bureau*, the event marked the first time in Major League Baseball postseason history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POSTSEASON MARK: Miguel Cabrera went 4x5 in Game 4 of the National League Division Series vs. San Francisco. The four hits tied a Major League postseason record for hits by a rookie, joining NYY's Derek Jeter (1996 ALCS G1), LAD's Chad Fournier (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 postseason, the best single-season rookie home run and RBI marks in MLB playoff history. Entering the postseason, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

OH THOSE LEFT ON BASE: The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME: Mike Lowell became the sixth player in MLB postseason history to hit a pinch-hit home run in extra innings when he homered in the top of the 11th inning on October 7 at Chicago. Below is a look at the all-time postseason extra-inning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	G1 1954 WS vs. CLF

HOMERS SHALL FLY: The Marlins hit a team postseason-high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion and Cabrera) came in the third inning marking the first time in NLCS history that a team homered three times in an inning. Cabrera's and Encarnacion's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT: The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HR by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST: On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the postseason at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19 178) on 10/17/96 vs. STL.

DONTELLE WITH THE BAT: Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in postseason play as he went 3x3 on October 4 vs. SF. Willis' three hits set a postseason rookie pitcher record. He was the first pitcher to post a three-hit postseason game since LA's Orel Hershiser did it in Game Two of the 1988 World Series vs. Oakland.

BECKETT'S BEST: The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game (CG SHO) of his career (regular and postseason) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest hits allowed in a complete game, joining CIN's Ross Grimsley (10/10/72) NY's Jan Matlack (10/7/73) and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a postseason game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

IN SELECT COMPANY: According to research by ESPN, Josh Beckett became the third pitcher in postseason history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME: According to Jayson Stark of ESPN.com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joined the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS) and Joe Coleman (1972 ALCS).

BIG INNING: The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also tied an overall Marlins' record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The first time one run from tying the all-time NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run-or-greater deficit in postseason play to win when facing elimination and the first since Game 5 of the 1986 ALCS (Game 5: Boston of California).

BACK FROM 3-1: The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

YEAR	LCS COMEBACKS	WORLD SERIES RESULT
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYM over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE: Marlins' catcher Pudge Rodriguez was named the NLCS Most Valuable Player as he hit .321 (9x2B) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodriguez became the fifth catcher in NLCS history to win MVP honors. Pudge joins STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Perez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED: The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in postseason history: 1958 (NYY over MIL, Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

WORLD SERIES

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE: The Marlins became the third

expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins would become the first team in the post-expansion era to accomplish the feat.

JACK MCKEON: Marlins' manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978, when he replaced Billy Martin.

EXPANSION NOTABLES: The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with four Fall Classic entries (win in 1969, loss in 1973, win in 1986 and loss in 2000). The Marlins, San Diego Padres (loss in 1984 and loss in 1998), Toronto Blue Jays (win in 1992, win in 1993) and Kansas City Royals (loss in 1980 and win in 1985) have each made two World Series appearances.

AGE IS A STATE OF MIND: Marlins' manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY).

McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that club's skipper.

HOW DO YOU DO, MR. GONZÁLEZ: Alex González hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins postseason history and holds significance in baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ATL), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, González was the third player in baseball history to have his first career postseason homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL, Braves vs. NYY). ESPN also noted that González was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7, with PIT) and Mathews (1957 G4, with MIL).

A PENNY FOR YOUR THOUGHTS: RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same Series, joining Sandy Koufax, Bob Gibson and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP: Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22-year-old Liván Hernández claimed the honor for the Marlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.6.14) in 1985. Beckett fanned 47 batters in the 2003 postseason, tying Randy Johnson (2001) for second-most strikeouts in a single postseason behind Arizona's Curt Schilling in 2001 (56).

NEW ORLEANS BABY CAKES

ARNIE BEYELER

MANAGER

Arnie Beyeler returns for his second year as manager of the New Orleans Baby Cakes, following three seasons as first base coach for the Boston Red Sox. He also served as Boston's outfield instructor during that time, and spent 12 seasons overall with the Red Sox organization. The Red Sox outfielders led the American League in 2014 with 37 assists, and Beyeler served as first base coach for the 2014 AL All-Star team.

Beyeler has compiled an 871-826 (.513) record in 14 seasons as a Minor League manager, reaching the playoffs six times. He spent nine seasons as a manager in the Red Sox organization, guiding Triple-A Pawtucket (.201-.12), Double-A Portland (.07-.10), Single-A Augusta (.02) and Single-A Lowell (.00-.01) to a combined 585-553 (.514) record and four playoff appearances. He led Pawtucket to the 2012 Governors' Cup, marking the PawSox' first International League Championship in 28 years. He also led Portland to a pair of Eastern League playoff berths in 2007 and '08, and was named the Eastern League's top managerial prospect by Baseball America in 2010.

The Wichita State University graduate resides in Ponte Vedra Beach, Fla., and has two children, Jordan and Brady.

SCOTT BUDNER

PITCHING COACH

Scott Budner begins his first season as pitching coach for New Orleans. He spent last season with the Angels as pitching coach for Double-A Arkansas, where he staffed for the Texas League lead with 15 shutouts. He spent the previous four seasons with the Seattle Mariners as a major league batting practice pitcher. A left-hander, Budner was selected by the San Francisco Giants in the sixth round of the 1977 amateur draft. He posted a 3.36 ERA with the Great Falls Giants that year, best in Pioneer League. Overall, Budner played seven years in the minors within the Giants and Orioles farm systems, reaching as high as Triple-A.

After his playing career, the New London, Conn. native was the pitching coach at Jacksonville University in Florida from 1988 to 1990 and was a minor league coach in the Oakland Athletics organization from 1990 to 1994. Budner was also the pitching coach of the Lancaster JetHawks in 2000, Wisconsin Timber Rattlers in 2001, Inland Empire 66ers in 2003, San Antonio Missions in 2004, 66ers again from 2005 to 2006, and High Desert Mavericks in 2007. In 2007, Budner was also named Seattle Mariners Player Development Staff Member of the Year. Budner pitched collegiately at Eastern Connecticut State University and was inducted into their Hall of Fame in 2008.

KEVIN WITT

HITTING COACH

Kevin Witt joins the Marlins organization for his first season as a professional coach. Previously, Witt held the role of Director of Player Development at Marucci Elite Houston. He joined Marucci Elite Houston in November of 2012 and worked with players from eight years old to 18.

Witt was a first-round selection (28th overall) of the Toronto Blue Jays in the 1994 First Year Player Draft out of Bishop Kenny High School in Jacksonville, Fla., and played parts of five MLB seasons with the Blue Jays, Padres, Tigers and Devil Rays between 1998 and 2006. He also played 12 seasons in the Minors between 1994 and 2006. In 2006, while playing for the Durham Bulls, he was named the Triple-A All-Star MVP and International League MVP.

GREG HARREL

ATHLETIC TRAINER

Greg Harrel begins his first season as Athletic Trainer for New Orleans, following 10 years with the Dodgers organization. Harrel joined the Dodgers in 2007 and served as the Triple-A trainer until he joined the MLB staff in 2012. He returned to the Triple-A ranks in 2015 for the Dodgers inaugural season at OKC. A Cashier, Kan. native, he also was the trainer for the 89ers and RedHawks from 1992-2002. The organization was then affiliated with the Texas Rangers.

NOTABLE MOMENTS IN SERIES HISTORY

- Miami and Houston played the first tie game series in Marlins Park history from April 13-15, 2012. Each game of the set was decided by a 5-4 final, with Miami taking Games 1 & 3, both in 11 innings, and Houston winning the middle contest.
- In the Game 1 win, Miami's first ever at Marlins Park, the teams were knotted up 4-4 in the 11th inning, when Chris Coghlan led off the frame with an infield single and then scored from first on a Gaby Sanchez double. The game went to extra-innings thanks to Miami native J.D. Martinez, the Houston outfielder hit the first home run in Marlins Park history in the eighth inning, a two-run shot that tied the game.
- In the Game 3 win, Omar Infante hit Miami's first ever home run at Marlins Park, a solo shot in the second inning.
- Every Marlins starter with the exception of Jeff Conine (.066) had a multi-hit game on July 15, 1996 at Pro Player Park, when the Fish recorded series bests in runs and hits (.74) against the Astros in a 15-5 win. Also all four position players to come off the bench recorded hits, with Kurt Abbott, Alex Arías, and Greg Coltrann all going 1-1 as pinch hitters, and Jesus Tavarez pinch running and later recording a single.

NOTABLE MOMENTS IN SERIES HISTORY

- The last time the A's and Marlins met in South Florida in 2014, Oakland came away with a three-game sweep, including one-run wins in the final two meetings. The second game was an extra-inning contest, which Oakland won 7-6 thanks to Josh Donaldson's RBI single in the top of the 14th inning. Miami loaded the bases in the bottom of the frame, but the A's held on for the win. Giancarlo Stanton went 3x6 with an RBI and a run scored in the game.
- Miami won the first game between the two franchises, 13-2 on June 3, 2003. Six hitters in the Marlins' starting lineup had multiple hits, including starting pitcher Brad Penny, who went 2x4 with three RBI.

NOTABLE MOMENTS IN SERIES HISTORY

- The Marlins-Mariners match-up in 2011 marked an unusual moment in the history of interleague play. The two teams were scheduled to play at Sun Life Stadium June 24-26, but the series shifted to Safeco Field because of a scheduling conflict with a U2 concert. This resulted in three Marlins home games played under National League rules in an American League venue. Seattle won the series 2-1.
- On April 18, 2014, Giancarlo Stanton hit a walk-off grand slam off of Yoervis Medina, leading the Marlins to an 8-4 win in the first game of a three-game series. Miami went on to sweep Seattle that year. Stanton and Marcell Ozuna each enter 2017 with five career RBIs against the Mariners, tied for the franchise lead with Carlos Delgado.
- The Marlins and Mariners are the two farthest-apart MLB teams, with 3,322 miles separating the clubs.

THE CITRUS SERIES

- The Marlins and Rays will square off in the Citrus Series for the 20th time this season. The Marlins won the season series 3-1 in 2016 after completing a two-game sweep of the Rays at Tropicana Field. The Marlins are 51-52 (.495) in the intrastate interleague traditional rivalry. The Rays lead the season series tally by a count of 10-9-1.
- The Miami-Tampa Bay rivalry is one of seven active intrastate interleague traditional rivalries and the most closely contested. The 505 winning percentage for the Rays is the slimmest by a series leader after the Marlins closed the gap further thanks to last year's series win. Oakland hold the second-most narrow margin, with a 518 (.5763) record against San Francisco. The most dominant intrastate rivalries are the Yankees who have a 62-46 (.574) advantage over the Mets, followed by the Cardinals with a 51-39 (.567) record against the Royals. The Angels are third with a 61-49 (.555) lead over the Dodgers, and the Indians are fourth, leading the Reds 54-45 (.545) in their all-time series. The White Sox rank fifth with a 57-51 (.528) series advantage over the Cubs.

NOTABLE MOMENTS IN SERIES HISTORY

- The clubs first met on June 13, 2003 in Arlington, with Brad Penny tossing 7.0 innings for the win in an 8-0 shutout by Florida. All nine starters, including DH Ramon Castro, had a hit for the Fish, who belted out seven extra-base hits, including two doubles by Derrek Lee and a home run by Mike Lowell. Entering 2017 it is still the largest margin of victory for the Marlins in series history.
- On June 10, 2005 at Dolphins Stadium, the Marlins led 5-1 before allowing a four-run eighth inning to Texas. Florida responded in the bottom of the frame with a seven-run outburst, on eight hits, highlighted by a Mike Lowell grand slam. The Fish set their series bests: 11 runs and wins (17) in the 12-5 win. Lowell has the most career home runs (4) and RBI (13) of any Marlins' player against the Rangers, and is tied with Luis Castillo for the most hits (13).

NOTES

GENERAL INFORMATION

CREDENTIAL APPLICATIONS: The Marlins are using Major League Baseball's online credentialing system for the 2017 season. Media credential applications are ONLY available online at credentials.mlb.com. Credentials should be requested at least 24 hours in advance of the game or event requested.

CREDENTIALS: Credentials to any Miami Marlins game or Marlins Park event will be issued only to legitimate news gathering organizations. Credentials will be issued only to members of the working press 18 years of age and older. No spouses, guests or children of members of the press will be issued credentials. Press passes are not transferable. Credentialed members of the media are prohibited from obtaining autographs, personal photographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Miami Marlins, Major League Baseball or the BBWAA will be honored. Credentials must be visible at all times.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate news gathering organizations and those representatives of companies licensed by Major League Baseball. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for news gathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Miami Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to media, as determined by the Marlins Communications Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and closes at the beginning of batting practice. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins field manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

CLUBHOUSE GUIDELINES: While in the Marlins clubhouse, media are not permitted to use cellular phones, laptops, Web-based portable video cameras, texting devices, PDAs or similar portable devices at any time. Still photography of any type is prohibited in the clubhouse at all times. Broadcast television cameras are allowed only to conduct player interviews in front of a player's locker, with the player's permission. All footage must be shot facing into the player's locker. No B-roll footage is allowed at any time.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. Media can access the field from the Dugout Club tunnels, located down the third-base and first-base lines. Media are not allowed to use the Ricoh Diamond Club entrances located behind home plate. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pregame ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

LIVE TRANSMISSIONS: Television and radio stations not holding broadcast rights for Marlins games will be allowed to transmit live reports prior to and after Marlins games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be permitted while the rightsholder is on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ROVING CAMERAS: Roving cameras must obtain prior approval from the Marlins Communications Department. While roving

all photographers must not block any aisles or the views of any fans. Failure to adhere to these guidelines will result in the revocation of roving privileges for both the individual photographer and for the news organization that photographer represents.

ADMISSION TO MARLINS PARK: All media covering Marlins baseball may enter Marlins Park through the Media Entrance which opens four hours prior to game time and is located on the West Plaza. At that time media may pick up any requested credentials. Credentials will be available for pick up until one hour after scheduled start time, after which credentials may be picked up by calling the press box. All other media who require their credentials prior to the opening of the Media Entrance should contact the Marlins Communications department.

PRESS BOX AND PRESS LOUNGE: Admission to the Marlins Park press box will be limited to those individuals with appropriate credentials. These include Marlins' season credentials, Marlins daily credentials, BBWAA cards, Major League Baseball Working Press Radio and Photographer passes. Those individuals with the proper credentials will be able to purchase food in the Press Lounge (located directly behind the Press Box) from 2 1/2 hours before game time through the end of the third inning of each game. The Press Lounge area is considered a part of the working press area and only individuals with proper working credentials will be admitted at all times. No guests will be permitted.

AUTOGRAPH REQUESTS: As noted earlier, no members of the media may use their access to solicit autographs, personal photographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Miami Marlins Community Outreach Department in writing. Failure to do so will result in revocation of credential privileges and forfeiture of any items obtained.

DRESS CODE: Media covering games are expected to dress in an appropriate and professional manner that reflects their respect for their colleagues, the teams and the players they are covering. Media are expected to adhere to a business casual dress code in all working areas and should follow Major League Baseball's dress code guidelines.

RAFAEL 'FELO' RAMIREZ

HALL OF FAME SPANISH PLAY-BY-PLAY ANNOUNCER

Fele Ramirez has been the Spanish "Voice of the Marlins" since the birth of the franchise in 1993. He has called all of the Club's five no-hitters by Al Leiter (1996), Kevin Brown (1997), A.J. Burnett (2001), Anibal Sanchez (2006) and Henderson Alvarez (2013), as well as the 1997 and 2003 championship seasons.

As one of the most recognizable voices in sports broadcasting, Ramirez was inducted into the National Baseball Hall of Fame on August 5, 2001 as the Ford C. Frick Award winner, a tribute presented each year by the National Baseball Hall of Fame to a broadcaster for "major contributions to the game of baseball."

For more than 35 years, he has been the play-by-play voice of professional baseball in Puerto Rico, Nicaragua and Venezuela. A Ramirez's baseball coverage on CMQ Radio in Habana, Cuba (1953-61) was highly regarded among journalists in Latin America. Fele has been the voice of, all but nine, Caribbean World Series since 1949.

A true pioneer of baseball broadcasting in his native Cuba, Ramirez was the first Hispanic broadcaster to have his narration included in the National Baseball Hall of Fame, with his call of Hank Aaron's 715th home run, his call of Roberto Clemente's 3000th hit and Don Larsen's perfect game during Game 5 of the 1956 World Series.

He has lent his voice to more than 32 World Series and All-Star Games, and was recognized by former Commissioner Bowie Kuhn in 1980 for his extensive contribution to promoting baseball in Latin America from the broadcast booth.

Fele Ramirez is also a member of the Puerto Rican National Sports Museum (class of 2004). A life-size statue of Fele was erected during the inaugural event of the National Sports Museum in Guaynabo, PR, commemorating his valuable contributions to the game of baseball. In 2010, Fele was inducted as an honoree member of the Latin American Hall of Fame in the Dominican Republic.

NOTE: THESE DATES WILL BE USED UNLESS OTHERWISE NOTIFIED

BATTING AVERAGE (AVG.): Divide the number of hits by the number of at bats

EARNED RUN AVERAGE (ERA): Multiply the number of earned runs by nine and then divide that number by the number of innings pitched

FIELDING AVERAGE (FCT.): Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent

ON-BASE PERCENTAGE (OBP.): Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit-by-pitches and sacrifice flies

SLUGGING AVERAGE (SLG.): Divide the total bases of all safe hits by the total times at-bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided

(1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50.0 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service)

PINCH HITTING: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at-bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch-hitter comes up a second time, he will not be considered a pinch-hitter the second time

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at-bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

ITEMS OF INTEREST

BLOWN SAVE DEFINITION: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been a part of the Retalios formula since 1988

DISABLED LISTS:

10-Day: The player must remain off the active roster for a minimum of 10 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any postseason game.

EMERGENCY: Maximum number of players on list at one time - no limit. Minimum period of inactivity is 60 calendar days. Players placed on this list after August 1 shall remain there for the balance of the season. This list may only be used when a Club is at the maximum limit of 40 players

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information.

-Six years of Major League Service continues to be required to be eligible for free agency.

-The Re-Entry Draft has been abolished.

-A player has 15 days from the first day following the World Series to file for free agency

-By December 1, former Club must offer to arbitrate or become eligible to sign player. By December 7, player must accept or reject the offer. Should the Club fail to tender or renew the contract, the player shall become a free agent without any restrictions or qualifications. The player will be eligible to sign with all Clubs including the Club which did not offer arbitration.

-If Club and player proceed to arbitration, maximum salary rules do not apply.

-Player who accepts former Club's offer to arbitrate is not subject to repeater rights limitations.

NIGHT GAME: A night game shall be any game with the official starting times fixed after 5 p.m. All games, with official starting times fixed for 5 p.m., prevailing time, or earlier shall be "day games."

PLAYER LIMITS: A Major League roster consists of 40 players until Opening Day, when the number must be reduced to 25 until September 1, when it again becomes 40.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth or takes the lead or ties the score while at bat in the fifth.

THE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME RULE

Rule 4.12 SUSPENDED GAMES

(a) A League shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:

- (1) A curfew imposed by law
- (2) A time limit permissible under league rules.
- (3) Light failure or malfunction of a mechanical field device under control of the home club.

(Mechanical field device shall include automatic tarpulin or water removal equipment.)

(4) Darkness because of any law, the lights may not be turned on.

(5) Weather, if the game is called while an inning is in progress and before it is completed.

and one of the following situations prevails:

(i) The visiting team has scored one or more runs to tie the score and the home team has not scored.

(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:

NOTE. Weather and similar conditions—4.12(a) (i) through (5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tied game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:

(1) Immediately preceding the next scheduled single game between the two Clubs on the same grounds; or

(2) Immediately preceding the next scheduled double-header between the two Clubs on the same grounds if no single game remains on the schedule; or

(3) If suspended on the last scheduled date between the two clubs in the city transferred and played on the grounds of the opposing Club, if possible:

(i) Immediately preceding the next scheduled single game; or

(ii) Immediately preceding the next scheduled double-header if no single game remains on the schedule.

(4) If a suspended game has not been resumed and completed on the last date scheduled for the two Clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at

the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the Club when the game was suspended may be used as a substitute even if he has taken the place of a player no longer with the Club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SALARY ARBITRATION: Beginning in 1987, three years of Major League Service required for eligibility. Beginning in 1987 maximum cut rules do not apply if in immediately preceding year player won arbitration increase of more than 50%. Three-man panels will be scheduled to hear cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 and 2001. Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating. Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service shall be eligible for salary arbitration if: a) he has accumulated at least 86 days of service during the immediately preceding season or b) he ranks in the top 17 percent in total service in the class of players who have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceding season.

SAVE RULE: Credit a pitcher with a save when he meets all three of the following conditions:

- 1) He is the finishing pitcher in a game won by his Club;
- 2) He is not the winning pitcher; and
- 3) He qualified under one of the following conditions, he enters the game with a lead of no more than three runs and pitches for at least one inning, or he enters that game, regardless of the count, with the potential tying run either on base or at bat or on deck (that is, the potential tying run is either already on base or is one of the first two batters he faces), or he pitches effectively for at least three innings.

TRADING REGULATIONS: The trading deadline is July 31. Trades may be made with any other Major League Club in the period from the end of the championship season through July 31 (4:00 p.m. ET) without waivers. Waivers are required, however:

- 1) If the assignment is to another Major League Club: From August 1 and ending at 5 p.m. ET the day after the end of the season.
- 2) If assignment is to a Minor League Club, with right of recall, at any time after three years from the date the player first reported to a Major League Club during a championship season.
- 3) If assigned to a Minor League Club without right of recall, after acquiring three years of service; at any time during the year.
- 4) If assigned to a Minor League Club, without right of recall, at any time prior to acquiring three years of service special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn, if no claims are made. Club has 7-day period in which to make assignment to minor leagues.

WAIVER PERIOD: Major League waivers must be secured for all Major League trades from August 1 until the day after the regular season concludes. NO WAIVERS are required to trade a Major League player at any other time.

I. Overview

Video replay review in Major League Baseball (hereafter, "Replay Review") is designed to provide timely review of certain disputed calls in all Championship Season, All-Star and Post-Season games played in the 30 Major League ballparks (and, beginning in 2015, in any ballpark at which a Major League Championship Season game is played). A "call" as described in these Regulations means a judgment by one or more umpires or by the entire crew after conferring with one another (hereafter, the "Umpires") on a specific play which may consist of an oral pronouncement or physical gesture (or may not in the case of a "non-call"). Replay Review may be used to reverse or confirm the Umpires' call on the field subject to and in accordance with the terms and conditions described below. Subject to its obligations under its respective Basic Agreements and other agreements with the Major League Baseball Players Association and the World Umpires Association, the Office of the Commissioner reserves the right to rule on any point with respect to Replay Review that is not covered by these Regulations.

II. Challenging and Reviewing Calls Pursuant to Replay Review

A. Responsibilities.

Each Club's Manager is responsible for invoking challenges under the circumstances described in these Regulations. Crew Chiefs are responsible for determining whether a Manager Challenge is properly and timely made and, in accordance with Section II.C below, determining whether to review a potential home run call (as defined in Section V.A below) or determining another reviewable play or call on their own initiative. Moreover, prior to the initiation of a Replay Review, the Umpires may confer among themselves at any time and change any call (whether or not the call is reviewable) in accordance with Official Baseball Rule 8.02 (formerly Rule 9.02). If a reviewable call is changed in this fashion, the new call shall be subject to Replay Review as provided in these Regulations.

B. Manager Challenges.

1. Each Club will receive: (a) two (2) Manager Challenges to start each All-Star Game, postseason game and Divisional or Wild Card tie-breaker game; and (b) one (1) Manager Challenge to start every other game. A Manager may challenge as many reviewable calls within a single play as he desires using one challenge. If the Replay Official overturns any call challenged by a Club (even if he upholds other challenged calls), the Club retains its Manager Challenge. If the Replay Official does not overturn any of the calls challenged by a Club, the Club will lose its Manager Challenge. Once a Club has exhausted its available Manager Challenge(s), it will no longer have the ability to challenge any additional play or call in the game.

2. A Club's Manager is the only person authorized and permitted to request or initiate Replay Review on behalf of the Club during a game unless the Manager cannot perform his Replay Review responsibilities due to injury, illness, ejection, removal or other legitimate reasons, in which case the coach designated to assume the Manager's responsibilities shall have the sole right to request or initiate Replay Review. As used in these Regulations, the term "Manager" refers to a Club's Field Manager or such other person who assumes his duties as described above.

3. Upon being prompted by the Umpire, a Manager must immediately inform the Umpire whether he wishes to use his Manager Challenge to invoke Replay Review. If, upon such prompting, the Manager does not immediately respond that he is using his Manager Challenge then the Umpire shall revoke the Manager's right to challenge any call relating to that play, and the Club shall retain its Manager Challenge.

C. Crew Chief Reviews.

At any time during a game, a Crew Chief may, in his sole discretion, initiate a Replay Review of a potential home run call (as defined in Section V.A below). With respect to other reviewable calls, beginning in the seventh inning (unless permitted earlier in accordance with Section VI.C.2(b) below), a Crew Chief may in his sole discretion conduct Replay Review upon his own initiative or upon the request of a Manager who has no remaining Manager Challenges. These Replay Reviews are subject to the following:

1. A Club that has exhausted its Manager Challenges may request but cannot insist that the Crew Chief invoke his right to initiate Replay Review.

2. Except in the case of potential home run calls, the Crew Chief shall not initiate Replay Review of any play or call if the requesting Manager has a Manager Challenge remaining.

D. Timing of Manager Challenges and Crew Chief Reviews.

1. Except as otherwise set forth in Sections II.D.2, 3 and 5 below, to be timely, a Manager must exercise his challenge (by verbal communication and/or hand signal to an Umpire), or the Crew Chief must initiate Replay Review (if applicable pursuant to Section II.C above) before the commencement of the next play or pitch. Such challenge or request will be considered timely only if the Umpire acknowledges that communication within the time period specified above. For purposes of these Regulations the next "play" shall commence when the pitcher is on the rubber preparing to start his delivery and the batter has entered the batter's box (unless the defensive team initiates an appeal play in which case any call made during the play prior to the appeal still may be subject to Replay Review). A challenge to a play that ends the game must be invoked immediately upon the conclusion of the play and both Clubs shall remain in their dugouts until the Replay Official issues his decision. No substitutions or pitching changes may take place while the Umpires are in the process of invoking Replay Review.

2. In the case of a pitching change after the conclusion of a play but before the conclusion of the inning: (a) the defensive manager must exercise his challenge before signaling for a pitching change and (b) the offensive Manager must exercise his challenge, or the Crew Chief (if applicable pursuant to Section II.C above) must initiate Replay Review before the relief pitcher steps onto the warning track or, in the case on on-field bullpen areas, crosses the foul line. Notwithstanding the foregoing, the Crew Chief shall have the discretion to permit a challenge by the offensive Manager if the Crew Chief determines that the defensive Manager called for a relief pitcher in an accelerated fashion for the sole purpose of preventing the offensive Manager from having a reasonable opportunity to exercise his challenge. The Field Timing Coordinator shall inform the broadcasters that the mid-inning pitching change break for that game has commenced by starting the visible ballpark timer (see Section II.E below). If the Crew Chief exercises his discretion to permit a challenge by the offensive Manager during a mid-inning pitching change after the Field Timing Coordinator already has started the ballpark timer to commence a commercial break, the Field Timing Coordinator will inform the Crew Chief to delay announcing the results of Replay Review until after the normal inning break has elapsed.

3. In the case of a play that results in a third-out call, a Manager must immediately run onto the field to notify an Umpire that the Club is contemplating challenging the play (and in all circumstances must be on the field in less than ten (10) seconds from the Umpire's third-out call), and in such cases the Crew Chief shall hold the defensive players on the field. The Manager will have no more than thirty

REPLAY REVIEW REGULATIONS

(30) seconds after entering the field to notify an Umpire that he is invoking a challenge. In the case of a play that results in a third-out call and is subject to review at the discretion of the Crew Chief, the Crew Chief must either immediately initiate a Replay Review or signal for an Umpire conference to discuss the play while holding the defensive players on the field. If a Manager who is out of challenges desires to request that the Crew Chief review the play at his discretion, the Manager must immediately run on the field to make such a request.

4. If a Manager wishes to invoke a Manager Challenge with respect to a play or call that does not result in the third out of an inning, he may approach an Umpire on the field to do so, but is encouraged instead to indicate his desire to challenge the call verbally and/or by pointing to the headset technician from the top step of the dugout. It is always the Manager's responsibility to ensure that an Umpire (either verbally or with a reciprocal hand gesture) has acknowledged his request to initiate a Manager Challenge and to communicate the call being challenged with the required level of specificity (see Section II.) below).

5. In the case of a play that results in a Crew Chief review, a Manager who seeks to exercise a challenge with respect to another call from that play which is not otherwise part of the Crew Chief review must invoke his challenge before the Crew Chief makes communication contact with the Replay Official.

6. If the Crew Chief determines that a Club's invocation of a Manager's Challenge is untimely, the play shall not be reviewed, the Umpire's call shall stand, and the Club shall not be charged with a challenge. The Crew Chief shall have the final authority to determine whether a Manager's Challenge is timely. The judgment of the Crew Chief regarding the timeliness of a Manager's Challenge shall be final and binding on both Clubs, and shall not be reviewable by Replay Review or otherwise.

E. Inning-Break Mechanics

1. MLB will hire and assign to each MLB game a Field Timing Coordinator. The Field Timing Coordinator shall be responsible for working with on-field personnel and broadcasters to manage breaks throughout the game by operating the visible ballpark timers that will be used to time inning breaks and pitching changes. The Umpires on the field shall remain solely responsible for managing the game, including managing all inning breaks consistent with past practices, provided that they shall coordinate with the Field Timing Coordinators to ensure that the broadcasters shall be afforded the applicable allotted time for inning breaks following close plays involving third outs (whether or not replay review is initiated). No broadcaster should break for commercial until the Field Timing Coordinator starts the ballpark timer to commence the inning break. The broadcasters shall be afforded the applicable allotted time for all inning breaks for that game. The Field Timing Coordinator shall start the ballpark timer to commence the inning break as soon as he determines that the third-out call is not subject to challenge, except in the case of a special inning-break activity or event approved by the Commissioner's Office (e.g., "God Bless America") in which case the inning-break will commence at the conclusion of the activity or event. On routine outs and calls not subject to Replay Review (e.g., strikeouts), the Field Timing Coordinator shall start the ballpark timer to commence the inning break immediately upon the third-out call. With respect to close plays involving third outs:

a) Upon observing: (a) the Manager run onto the field; (b) the Crew Chief invoke Replay Review; or (c) the Crew Chief signal to convene a crew conference, the Field Timing Coordinator will delay the commencement of the inning break until the Manager or Crew Chief decides whether to invoke Replay Review.

b) If a Replay Review is initiated after a third out call, the broadcasters may not break for commercials until the completion of the review (at the earliest). If the third-out call is reversed, play on the field will continue without a commercial break until the inning is completed. If the third-out call is upheld, the Field Timing Coordinator will notify the broadcasters, Umpires and on-field personnel that the normal inning break has commenced by starting the ballpark timer.

c) If broadcasters adhere to the requirements contained in these Regulations, but Replay Review is invoked during a commercial break, the Field Timing Coordinator will inform the broadcasters via his headset that Replay Review has been invoked, and also will inform the Crew Chief to delay announcing the results of Replay Review until after the normal inning break has elapsed. Under these circumstances, if the call on the field is upheld (meaning that the inning is over), normal inning break timings will not be kept; rather, players promptly shall change sides, the defense will engage in normal warm-up activities, and play will resume immediately upon the players and umpires being ready.

2. Broadcasters should cut to commercial upon the last out of the inning or during pitching changes only when the Field Timing Coordinator commences the break by starting the ballpark timer. For pitching change breaks, the Field Timing Coordinator will start the ballpark timer and commence the break when the relief pitcher steps onto the warning track or crosses the foul line after exiting the bullpen. If the Field Timing Coordinator starts the ballpark timer for an inning change prior to observing a pitching change, he shall restart the ballpark timer when the relief pitcher steps onto the warning track or crosses the foul line after exiting the bullpen.

F. Delay of Game

1. On-field personnel may not intentionally delay the game in order to provide their Club with additional time to challenge a play. In this regard, access to video in the clubhouse shall not be used by a Manager to delay an appropriate challenge. Moreover, following a close or controversial play, all on-field personnel are expected to promptly take their positions for the next play, and obey the directives of the Umpires.

2. If an Umpire believes that a Manager, coach or player is intentionally delaying the start of the next play in order to provide his Club with additional time to invoke a challenge, the Umpire may require the Manager to immediately make a decision on the challenge, and issue a warning to the Manager. After issuing a warning, the Crew Chief shall have the discretion to rescind a Club's challenge if the Club again intentionally delays the commencement of play. The Commissioner may impose off-field sanctions on Clubs that violate this provision.

G. Challenge of a Reviewable Play by Both Managers.

1. Both Managers may challenge different reviewable calls within the same reviewable play. These challenges may be in the form of a Manager's Challenge or a request for a Crew Chief review, to the extent available.

2. The Replay Official shall review all challenges properly initiated, and shall review the challenged calls in the order in which the calls occurred during the game. If the decision of the Replay Official on an earlier reviewable call renders moot a later reviewable call, the Replay Official shall not review the subsequent call. If a call challenged by a Club is not reviewed by the Replay Official by operation of the foregoing rule, that Manager's Challenge shall be deemed rescinded and the Club shall not be charged with the challenge.

3. If Manager Challenges by both Clubs are not invoked simultaneously the second Club must invoke its challenge before the Crew Chief makes communication contact with the Replay Official provided, however, that any Club adversely affected by a Replay Official's decision to change a call has the right to use a Manager's Challenge or request that a Crew Chief review another reviewable call in the same play provided that (a) the Manager of the adversely affected Club makes the Manager's Challenge or requests the Crew Chief review immediately after the announcement of the Replay Official's decision, (b) the change of the initial call affects the relevance of the subsequent call to the outcome of the play, and (c) the Club adversely affected by the change in the initial call had no incentive to seek Replay Review of the subsequent call until after the Replay Official reversed the initial call.

Example 1 With two outs and no one on base, the Umpire calls a line drive hit to the outfield a trap, but calls the batter runner out when trying to advance to second base. The defensive Club had no incentive to challenge the trap call because the batter-runner was called out at second base to end the inning. However if the offensive Club challenges the tag call at second base and the Replay Official overturns the call, the defensive Club will be afforded the opportunity to challenge or request review of the trap call in the outfield by informing the Crew Chief of the challenge or request immediately after learning of the Replay Official's decision.

Example 2 With one out and a runner on second, the batter hits a long fly ball to center field that is caught. The runner on second, who had rounded third base at the time of the catch, fails to retouch third base on his way back to second base. He is tagged out at second base. The defensive Club had no incentive to appeal or otherwise challenge the runner's failure to retouch third base because the runner was called out at second base to end the inning. However, if the offensive Club challenges the tag call at second base, and the Replay Official overturns the call, the defensive Club will be afforded the opportunity to challenge the runner's failure to retouch third base. Because that play is an appeal play within the meaning of the Official Baseball Rules, the defensive Club must first appeal the play. If the Umpire calls the runner safe at third on such appeal, the defensive Club then will be afforded the opportunity to challenge the appeal play by informing the Crew Chief of the challenge immediately after the safe call.

4. If any of the conditions set forth in Section II.G.3 above is met and an additional call within a single play is subject to its own subsequent Replay Review and the decision by the Replay Official renders irrelevant a Manager's Challenge previously used by the opposing Manager on that play, then the opposing Manager's previous challenge shall be deemed rescinded and the Club shall not be charged with such challenge.

Example. With two outs and a runner on first, the batter hits a fly ball the outfield that is ruled "no catch," and the runner is called "out" trying to reach third base, which results in the third out of the inning. The offensive Manager challenges the call at third base, and the Replay Official determines that the runner was safe. The defensive Manager then challenges the "no catch" call on the batted ball to the outfield and the Replay Official overturns the call to a "catch," which results in the third out of the inning. The offensive Manager's challenge of the call on the runner at third base is irrelevant because the batter is out by virtue of the fly ball being caught in the outfield, and therefore such previous challenge on the play would be deemed rescinded.

H. Effect of Replay Review Result on Post-Play Decision by Manager

If a call is overturned on Replay Review, any decision made by a Manager after the play and influenced by the incorrect call shall be nullified. Such Manager shall be permitted to reaffirm or change his strategic decision based on the result of the play as determined by the Replay Official.

Example 1. The defensive Manager signals for a pitching change after a play and, subsequently, the offensive Manager timely initiates a challenge or the Crew Chief initiates Replay Review. The Replay Review results in an overturned call. Any pitching change, or attempted pitching change made by the defensive Manager shall be nullified unless reaffirmed by him after the Replay Official's decision is announced.

Example 2. With no outs and a runner on third base, the batter's bat hits the catcher's glove as he swings at a pitch and catcher's interference is called. On the swing a fly ball is hit to left field and caught. The runner on third base tags up and scores on a close play at the plate. Pursuant to Official Baseball Rule 5.05(b)(3) (formerly Rule 6.08(c)), because of the catcher's interference, the offensive Manager may elect either the interference penalty (i.e., batter awarded first base and runner returns to third base) or the result of the play (i.e., batter is out and runner scores). The offensive Manager elects to accept the result of the play. The defensive Manager then challenges the call at home plate and the Replay Official overturns the call and rules the runner out at home plate. Knowing the final result of the play as determined by the Replay Official, the offensive Manager's decision to accept the result of the play shall be nullified unless reaffirmed by him after the Replay Official's decision is announced.

I. Specificity of the Challenge.

When invoking a Manager's Challenge or otherwise requesting a Crew Chief review, it is the Manager's responsibility to ensure that the Umpire knows the specific calls for which he is seeking Replay Review, but the Manager need not state the reason for his belief that the call was incorrect. (For example, in order to challenge an "out" call on a force play at first base, the Manager need not state that the throw pulled the fielder off the bag, the runner reached first base before the ball was caught, etc.) Moreover, the Replay Official shall have no authority to review any calls other than those included in a Manager's Challenge or those accepted for review by the Crew Chief.

Example 1 A runner is called safe in a rundown because the Umpire rules that the fielder missed a tag. The defensive Club challenges the tag call with a Manager's Challenge. During Replay Review, the Replay Official confirms that the tag was missed, but observes that the runner who was called safe was passed by a preceding runner in violation of Official Baseball Rule 5.09(b)(9) (formerly Rule 7.08(h)). The Replay Official cannot correct the Umpire's non-call regarding the passed runner because the Manager only challenged the tag call.

Example 2. With nobody on base, a batter-runner is called out on a close, but routine, force play at first base. It is sufficient for the Manager to communicate that he is challenging the call without any further specificity.

J. Communicating with the Replay Official and the Public

1. The Crew Chief shall signal that a play is under Replay Review pursuant to a Manager's Challenge or Crew Chief discretion by pointing in the direction of the headset technician and walking toward him. The Crew Chief and another Umpire (either the calling Umpire or another Umpire if the Crew Chief is the calling umpire) shall move immediately towards the designated communication

REPLAY REVIEW REGULATIONS

location where they will have access to headsets or other appropriate equipment) to communicate with the Replay Official, the home public address announcer and the television broadcasters.

2. The Crew Chief shall communicate with the Replay Official (on a two-way line) regarding the calls subject to the Replay Review, and provide each other with any information as the Crew Chief or Replay Official may deem relevant to Replay Review. About the same time, the Umpire accompanying the Crew Chief also shall communicate with the home Club's public address announcer (on a two-way line) regarding the calls subject to Replay Review simply for the purpose of identifying, in general terms, the call(s) under review. (The television broadcasters of the game will be able to listen to the communication between this Umpire and the public address announcer on a one-way line.) After speaking with the public address announcer, the Umpire accompanying the Crew Chief will be placed in direct communication with the Replay Official and the Crew Chief.

3. The Replay Official will review the calls subject to the Replay Review in accordance with these Regulations, and inform the Crew Chief of his decision either to change the call on the field, confirm the call on the field or let stand the call on the field due to the lack of clear and convincing evidence to change it. If a call is changed by Replay Review, the Replay Official also shall inform the Crew Chief of any placement of runners or such other actions as may be necessary in the Replay Official's judgment to place both Clubs in the same position that they would have been in had the changed call been correct in the first instance.

4. Upon receipt of the decision by the Replay Official, the Crew Chief will, by signal or otherwise, announce the Replay Official's decision to the Clubs, including the placement of runners or such other actions. (Prior to this time, it shall be permissible for the pitcher to throw warm-up pitches and for position players to engage in other warm-up activities.) If the Crew Chief believes that the decision of the Replay Official warrants it, the Crew Chief or other Umpire involved in the Replay Review may personally inform one or both Managers of the decision before play on the field is resumed. After the Replay Official communicates his decision to the Crew Chief, the BAM technician (with the advice and assistance of the Replay Official, if requested) shall communicate the Replay Official's decision to the home Club's public address announcer (on a two-way line), and television broadcasters of the game will be able to listen to such communication on a one-way line.

5. If there is specific video that allows a Replay Official to definitively conclude that the call should be overturned or confirmed (as opposed to letting the call stand in the absence of video that provides clear and convincing evidence to overturn it), the definitive video used by the Replay Official in making his decision will be sent to the ballpark (to be accessible by the television broadcasters and scoreboard operator). Otherwise no further video from the challenged play may be shown at the ballpark after the Replay Review decision has been announced.

6. The Crew Chief may communicate with the Replay Official at any time during a game for purposes of: (a) record-keeping (i.e., to review the ball-strike count to a batter, the number of outs in an inning and the score of the game); (b) determining whether a player or players properly were substituted for during a game pursuant to Official Baseball Rules 5.10(a), (d)-(f) and/or 5.04(a)(2) (formerly Rules 3.03, 3.04, 3.05, 3.08, and/or 4.04); (c) determining, after appeal, whether a batter fails to bat in his proper turn and another batter completes a time at bat in his place in violation of Official Baseball Rule 6.03(b) (formerly Rule

6.07) or (d) confirming that an Umpire's decision on the field was consistent with the Official Baseball Rules under circumstances in which the misapplication of the rule(s) being checked could result in a protest of the game pursuant to Official Baseball Rule 7.04 (formerly Rule 4.19). If the Crew Chief approaches the headset technician without pointing in his direction to signal the start of Replay Review, the Official Scorer may presume that Replay Review is not being sought, and instead that the Umpire is seeking a record-keeping illegal substitution, batting out of order or rules check as set forth above. Any communication with the Replay Official pursuant to this paragraph shall be in the sole discretion of the Crew Chief. A Manager may not direct, require or argue with the Crew Chief to communicate with the Replay Official for such purposes, and such conduct will subject the Manager to ejection from the game. Any communication regarding a video review of the facts underlying the Umpire's decision must be consistent with the limitations on challenges and reviewable calls consistent with these Regulations. Unless otherwise provided for by these Regulations, no Replay Review shall ever be permitted on judgment decisions by the Umpire.

K. Irrevocable and Final

1. Once a Manager informs an Umpire that he wishes to exercise a Manager's Challenge, it may not be rescinded. A Manager should not point to the headset technician unless he is sure that he wants to initiate a challenge.

2. The decision of the Replay Official to either uphold or change one or more calls subject to Replay Review and any decisions as to the placement of runners or other necessary actions to be taken, shall be final and binding on both Clubs and is not subject to further review or revision.

3. Once Replay Review is initiated, no unformed personnel from either Club shall be permitted to further argue the contested calls or the decision of the Replay Official. On-field personnel who violate this provision shall be ejected.

4. Official Baseball Rule 7.04 (formerly Rule 4.19) shall have no applicability to these Replay Regulations. No protest shall ever be permitted on judgment decisions by the Replay Official. Moreover a violation of any rule or procedure set forth herein shall not constitute a basis for protesting a game.

5. In circumstances in which Replay Review is not available (e.g., the call is not reviewable, no Manager Challenge or Crew Chief review is available or, after the seventh inning, the Crew Chief has communicated that he has declined to initiate Replay Review), if a manager, coach, or player makes reference to having observed a video replay that purportedly contradicts the call under dispute, such person is subject to immediate ejection from the game.

III. Standard for Changing a Call

To change a reviewable call, the Replay Official must determine that there is clear and convincing evidence to change the original call that was made on the field of play. In other words, the original decision of the Umpire shall stand unchanged unless the evidence obtained by the Replay Official leads him to definitively conclude that the call on the field was incorrect.

IV. Correcting an Incorrect Call

Consistent with Official Baseball Rule 8.02(c) (formerly Rule 9.02(c)), if Replay Review results in a change to a call

REPLAY REVIEW REGULATIONS

that had been made on the field, the Replay Official, to the extent feasible, shall exercise his discretion to place both Clubs in the same position they would have been in had the call on the field been correct. This shall include placing runners where he thinks those runners would have been at the conclusion of the reviewed play if the reviewed call had been correctly made in the first instance, disregarding interference or obstruction that may have occurred on the play, failures of runners to tag up based upon the initial call on the field, runners passing other runners, missing bases, etc.

A. Placement of Runners.

1. Replay Official's Responsibility. All decisions regarding the placement of base runners resulting from a call that is overturned pursuant to these Regulations shall be made by the Replay Official in accordance with the standard set forth in the Official Baseball Rules.

2. Book Awards & Discretion. Unless directed otherwise by the Official Baseball Rules [for example, Official Baseball Rules 5.05(a)(5) (P), 5.06(b)(3)(C) Comment, and 5.06(b)(4)(F) (formerly Rules 6.09(d) (h), 7.04(c) Comment, and 7.05(f)), respectively], the Replay Official shall place the base runners on the bases he believes they would have reached had the reviewed call been made correctly. [For example, Official Baseball Rule 6.01(e) Comment (formerly Rule 3.16 Comment) states: "Batter and runners shall be placed where in the umpire's judgment they would have been had the interference not occurred." Rule 6.01(h)(1) (formerly Rule 7.06(a)) states: "[A]ll runners shall advance, without liability to be put out to the bases they would have reached, in the umpire's judgment, if there had been no obstruction." Any doubt regarding the placement of runners should be resolved in favor of the last base legally touched at the time of the challenged call. More than one base should not be awarded unless it is obvious to the Replay Official that a runner would have safely advanced beyond one base had the call been made correctly or the Official Baseball Rules otherwise require such advancement.]

3. Factors to Consider. The Replay Official should consider several factors when placing the runners, including (a) the depth of fly balls, (b) the speed of runners, (c) the location of runners on the field when the play occurred, (d) the number of outs at the time of the play, and (e) whether the incorrect call affected the subsequent behavior or conduct of the offensive or defensive players.

4. Subsequent Calls and Outs. If the Replay Official determines that an incorrect call on the field had no effect on the subsequent behavior or conduct of the offensive or defensive players, the Replay Official shall change the incorrect call but let stand the on-field calls made on the runner(s) unaffected by the incorrect call. No runner may be declared out by the Replay Official if no play was attempted on, or call made regarding, that runner (e.g., umpire cannot assume that a fielder would have thrown a runner out).

5. Scoring. The Replay Official shall determine whether base runners would have scored had the call been made correctly, and award or nullify runs scored by a Club where appropriate.

6. Final and Binding. The decision of the Replay Official regarding the placement of runners, or runners being declared out, shall be final and binding on both Clubs. On-field personnel shall be ejected if they argue or otherwise challenge the placement of runners.

V. Reviewable Calls

The only calls eligible for Replay Review are set forth in this Section V. Calls not identified below may not be

reviewed at any time, but nothing contained herein shall limit the Umpires in their ability to convene the crew on the field to further discuss any play consistent with Official Baseball Rule 8.02 (formerly Rule 9.02). (Attached to these Regulations is a non-exhaustive list of calls that are not subject to video replay review.)

If a Manager challenges a call that is not eligible for review, the Crew Chief will inform him that the call is not reviewable, and the Club shall not be charged with a challenge. To the extent the Crew Chief is unsure of whether a call challenged by a Manager is eligible for review, he may consult with the Replay Official prior to making the determination. If either the Club or Crew Chief invokes Replay Review of a call that the Replay Official determines is not subject to Replay Review, he will inform the Crew Chief that the play is not reviewable and the Club will not be charged with a challenge. To the extent that the Official Baseball Rules require the defensive Club to appeal a play eligible for replay review (e.g., a runner missing a base), Replay Review may not be initiated until the Umpire rule on the appeal.

A. Potential Home Run Calls. The Umpires' decision to call or not call a home run may be reviewed if there is a question as to whether the ball left the playing field or struck an object; whether the ball struck the top of a fence, hit a railing or otherwise stayed within the field of play; whether the ball was interfered with by a fan reaching over the fence, or whether the ball was fair or foul.

B. Non-Home Run Boundary Calls. Calls involving a decision regarding whether a live ball (1) bounces out of the field of play; (2) strikes the top of a fence or hits a railing or other obstacle in the ballpark; (3) is interfered with by a fan reaching over the fence; (4) is successfully caught by a fielder proximate to a stadium boundary (e.g., while falling into the stands), or (5) leaves the field of play and becomes a dead ball.

C. Specified Fair/Foul Ball Calls. Calls involving a decision regarding whether a batted ball was "A FOUL BALL," within the meaning of the Official Baseball Rule's Definition of Terms (formerly Rule 2.00) but only with respect to balls that first land at or beyond the set positions of the first or third base Umpire. [In the case of a three-man crew, the home plate Umpire has the discretion to determine where the first or third base Umpire would have been set for the purpose of determining whether a fair/foul ball call is reviewable.] One drives fielded by a defensive player in the infield and balls that first land in front of the set positions of the first or third base Umpire shall not be subject to review. The Umpire shall determine whether a purported foul ball landed in front of his position and thus is not subject to review. Such a determination by the Umpire is not reviewable.

D. Force/Tag Play Calls. Calls involving a defensive player's attempt to put out a runner or batter-runner by tagging the runner or batter-runner or touching a base, and/or whether or not the runner acquired the base. When reviewing such calls, the Replay Official shall determine that a fielder has caught the ball consistent with the Official Baseball Rule's Definition of Terms (formerly Rule 2.00), at the point in time that the ball touches the fielder's hand or glove (so long as the fielder maintains possession of the ball from the point of contact and thereafter). Notwithstanding the foregoing, the following calls will not be subject to review:

1. The Umpire's judgment that a runner is clearly out on a force play at second base under circumstances in which the defensive player may or may not have touched second base in his attempt to complete a double play and avoid a collision with the runner. All other elements of the call shall be subject to review, including

REPLAY REVIEW REGULATIONS

whether the fielder caught the ball, had control of the ball, was drawn off the bag, or tagged the runner. In this regard, a determination as to whether the fielder made a catch before dropping the ball while in the act of making a throw following the catch shall be reviewable.

2. The Umpire's judgment on whether a base runner rounded first base in an attempt to advance to second base.

3. The Umpire's judgment on whether a base runner abandoned his effort to advance in accordance with Official Baseball Rule 5.09(b)(2) (formerly Rule 7.08(a)(2)).

E. Catch Plays In The Outfield.

An Umpire's decision whether a fielder caught a fly ball or line drive in flight in the outfield before it hit the ground (or an object other than the fielder.) See Official Baseball Rule Definition of Terms (formerly Rule 2.00) of "A CATCH" and "IN FLIGHT." Fly balls or line drives fielded by a defensive player in the infield shall not be eligible for review. Any outfielder who stations himself in the infield on the play shall be considered an infielder for the purpose of this Regulation. A fly ball (but not a line drive) touched by an infielder (other than the pitcher or catcher) in an area behind the original positioning of the nearest infielder (other than the pitcher or catcher) shall be considered a fly ball or line drive in the outfield subject to review. The Umpire shall determine whether a call is reviewable under this provision. Such a determination by the Umpire is not reviewable.

F. Base Running.

The following base running calls are reviewable:

1. Calls involving whether a base runner passes a preceding runner before such runner is out in violation of Rule 5.09(b)(9) (formerly Rule 7.08(h)).

2. Determinations of whether a base runner scored ahead of a third out (see Rule 5.08(a) (formerly Rule 4.09(a))), and

3. Upon an appropriate appeal by the defensive Club, whether a base runner touched a base (see Rule 5.09(c)(2) and Comment (formerly Rule 7.10(b) and Comment)). [NOTE: In circumstances in which the Replay Official is reviewing whether a runner re-touched a base, the Replay Official also shall review whether the runner's re-touching of the base was necessary.]

Notwithstanding anything to the contrary in this Section F or elsewhere in these Regulations, in accordance with Official Baseball Rule 8.02(c) (formerly Rule 9.02(c)), when reviewing a play at home plate, if the Replay Official determines both that the runner did not touch home plate and that the fielder did not tag the runner (or, in the case of a force play did not touch home plate), the Replay Official shall rule the runner "safe" at home plate unless the defensive Manager appeals the failure of the runner to touch home plate prior to the Crew Chief making contact with the Replay Official.

Example. A runner attempts to score on a play at the plate. The catcher misses the tag on the runner, and the runner fails to touch home plate but the umpire calls a tag and the runner "out." The offensive manager challenges the call, and the Replay Official determines that the catcher missed the tag. The Replay Official shall disregard the failure of the runner to touch home plate, declare the runner "safe" and score the run.

G. Hit By Pitch.

Those plays for which there is a possibility that a pitched ball touches a batter, or his clothing. See, e.g., Rules 5.06(c) and 5.05(b)(2) (formerly Rules 5.09(a) and 6.08(b)), respectively. Any doubt as to whether a pitched ball hit the bat (as opposed to the batter or his clothing) should be resolved by the Home Plate Umpire at that moment as hitting the bat and not the batter, and the Umpire should declare a fair or foul ball under the circumstances. Notwithstanding the foregoing, whether the ball was in the strike zone when it touched the batter and whether the batter made any attempt to avoid being touched by the ball, shall not be reviewable. See Rule 5.05(b)(2) (formerly Rule 6.08(b)).

Example 1. A pitch strikes the batter, but the Umpire erroneously rules that the pitch struck the bat instead and rules "foul ball." The Manager on offense appropriately invokes replay and the Replay Official reverses the call. The Crew Chief shall declare the ball dead at the moment it struck the batter and rule accordingly.

Example 2. A pitch strikes the bat, but the Umpire erroneously rules "hit batter - dead ball." The Manager on defense appropriately invokes replay and the Replay Official reverses the call. If the ball lands foul, the Replay Official shall call the ball "foul." If the ball lands fair, the Replay Official may take into consideration whether the defensive team attempts to retire the batter-runner, whether the batter-runner attempts to take a base, the batter-runner's attempt to deceive the defensive team and the Umpires on the field, and other relevant factors, in placing the batter-runner, calling him out (consistent with Section IV.A.4 above) or calling the ball "foul" (if a "foul ball" ruling would result in a third strike, the pitch would be replayed).

H. Collisions At Home Plate.

An Umpire's decision to call or not call a violation of Official Baseball Rule 6.01(i) (formerly Rule 7.13).

Example 1. A runner collides with a catcher and touches home plate on a close play at home plate, but the home plate Umpire calls the runner out for having violated Official Baseball Rule 6.01(i). The Crew Chief exercises his discretion to initiate a Replay Review. If the Replay Official overturns the call that Rule 6.01(i) was violated, then he also shall determine whether the runner was tagged out before touching home plate.

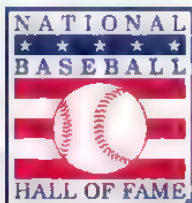

Example 2. A runner collides with a catcher and is called safe at home plate. The Manager on defense requests that the Crew Chief initiate Replay Review in order to determine whether the runner should have been ruled out for violating Official Baseball Rule 6.01(i), and the Crew Chief declines to do so. The Manager on defense shall be permitted to exercise an available challenge regarding the call as to whether the runner was tagged out before touching home plate.

NOTE: Whenever Replay Review of a call involving the application of Official Baseball Rule 6.01(i) is initiated the Replay Official also shall review any other reviewable call on the runner at home plate on that play (e.g., whether the runner was tagged out at home plate even if Rule 6.01(i) was not violated).

I. Tag-Ups.

An Umpire's decision whether a runner failed to retouch his base after a fair or foul ball is legally caught before he, or his base, is tagged by a fielder. See Official Baseball Rule 5.09(b)(5) (formerly Rule 7.08(d)).

SPRING TRAINING INFORMATION

Roger Dean Stadium

4751 Main Street
Jupiter, FL 33458
(561) 775-1818

The Miami Marlins enter their 15th Spring Training at Jupiter's Roger Dean Stadium, approximately one and a half hours north of the Club's regular season home of Marlins Park. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately 1/4 mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, one of only two multiple-team Spring Training sites in the Grapefruit League. The 2017 season will see the addition of The Ballpark of the Palm Beaches, the new Spring Training home of the Houston Astros and Washington Nationals.

Roger Dean Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association in 2011.

In 2003, Baseball America recognized Roger Dean Stadium as baseball's fifth-best spring training facility.

The Marlins begin their 25th Spring Training on Saturday, February 25, when they open their Grapefruit League slate as host to the St. Louis Cardinals, the first of seven games between the cohabitants. Miami will play 18 games at the Dean, including 7:05 p.m. contests against the Washington Nationals on March 24 and Detroit Tigers on March 31. The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The \$28 million state-of-the-art complex opened on February 28, 1998 and accommodates 6,839 fans with luxury suite seats, reserved box seats, bleachers and bullpen seating area in right field. The facility has undergone a series of upgrades in recent seasons, beginning with a new high-definition video board in 2012, reconfigured seats and new sound system in 2015, the addition of the Bullpen Club in 2016 and shade panels installed prior to the 2017 Spring season. Fans will have the opportunity to sit in the Bullpen Club, a 135-seat area that includes table-top seating for a community feel; next to the visitors' bullpen. The six air-conditioned luxury suites provide 320 square feet of interior entertainment, including a wet bar, refrigerator, sink, ice maker, color television with DVD, sofa, bar stools and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access.

Following Spring Training, the complex is the home of the Single-A Jupiter Hammerheads (Miami affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Communications Department and the media workstation are located in the Marlins executive offices, beyond the left field wall at Roger Dean Stadium. The Press Dining area is located in the main press box area. Admission to all Marlins Spring Training games requires either a Major League Baseball Spring Training credential, a BBWAA card, or a Marlins season or daily Spring Training credential.
